Thank you for ordering your dress from the Wedding Library. We appreciate your business and hope that you enjoyed your experience here. Please read this list of reminders about your order.

1. All orders are based on standard sizes. This means that although you've provided your measurements, you are getting a standard size according to the size chart of your particular designer. Your dress is made to order but is *NOT* custom made.
2. We highly recommend having a professional *SEAMSTRESS* take your measurements. If you choose not to do so, we cannot be held responsible for the size that is approved by you. Our sales staff are not professional seamstresses.
3. Because our dresses are standard sizes, *ALMOST ALL* orders require some alterations. The average range for alterations is between \$50 and \$135, with an average cost of about \$80.
4. By signing our order form, you agree to order the size dress on the form. In all circumstances, our clients take the final responsibility for ordering their correct size.
5. You are responsible for notifying us of any change of address if we are shipping your dress to you. We cannot be held responsible for any shipments made to addresses provided to us in your order form. If your dress is returned to us, you will be required to pay the additional shipping and handling cost.
6. Your dress will take at least 12 weeks to be delivered. Even if you are verbally told that your dress may come in sooner, early delivery is never guaranteed. If you need your dress sooner, you need to consider a rush.
7. Sometimes our designers get backed up with orders, in which case they reserve the right to deliver the dresses anytime before the wedding date. It is best to order your dress at least 4 months in advance of the wedding date to leave time for alterations.
8. There are variations in color between dye-lots. There is the possibility that your dress may not be an exact match to your color swatch or to the other dresses ordered. This is a natural variation in the dyes and must be anticipated. The Wedding Library is not responsible for variations in color.

If you are the bride and we do not have all of your bridesmaids' contact information, you are responsible for communicating the above information to them.

IMPORTANT NOTES:

- Our size chart reflects a body measurement, NOT a dress measurement.
- Our dresses have 1-1.5 inches of ease built into the patterns to allow for movement.
- The bust measurement on a strapless dress will be approximately the same as the bust measurement on the size chart.
- MATERNITY STYLES use bust measurement only.
- Please make sure to have your measurements taken by an experienced seamstress or tailor. They must pull the tape snugly against the body to ensure the most accurate measurement. Consumers should not measure themselves!
- Extra length is suggested for anyone 5'7" and taller

BY JOANNA AUGUST

MEASUREMENTS AND SIZING

PLEASE FOLLOW THESE GUIDELINES USING A SOFT MEASURING TAPE TO DETERMINE YOUR MEASUREMENTS.

* PLEASE MAKE SURE TO KEEP THE TAPE SNUG AND NOT TIGHT WHEN MEASURING. ALSO, FOR THE MOST ACCURATE FIT, WE RECOMMEND THAT YOU MEASURE OVER THE SAME UNDERGARMENTS THAT YOU ANTICIPATE WEARING UNDER YOU DRESS.

BUST: MEASURE AROUND (NOT UNDER) THE BUST AND BACK. (THE FULLEST PART OF YOUR BUST).

WAIST: MEASURE AROUND YOUR NATURAL WAIST (THE NARROWEST PART OF YOUR WAIST). BREATHE IN AND OUT- DO NOT SUCK IN!

HIPS: MEASURE YOUR LOWER HIPS, ABOUT 8"-9" DOWN FROM YOUR NATURAL WAIST DOWN. STAND WITH YOUR FEET TOGETHER AND MEASURE AROUND YOUR BACKSIDE (THE FULLEST PART OF YOUR HIP).

HEIGHT: EXTRA LENGTH IS NOT CURRENTLY AVAILABLE FOR CEREMONY DRESSES, HOWEVER OUR GOWNS ARE DESIGNED WITH EXTRA LENGTH BUILT IN AND FLOOR LENGTH DRESSES WILL HIT THE FLOOR FOR ANYONE 6'- 6'1" IN HEELS.
