With a Bachelor of Science in Elementary Education from Pennsylvania State University and over six years of dedicated experience in dynamic classroom settings, I am confident in my ability to contribute positively to the educational journey of the students at Sunnyvale Elementary.

Throughout my career, I have focused on creating a nurturing and engaging environment where children can develop their cognitive, social, and emotional skills. My teaching philosophy is centered around providing a balanced educational experience, prioritizing both academic rigor and the holistic development of each student. I have

successfully implemented differentiated instruction and interactive learning strategies, significantly enhancing student participation and academic performance.
