

CHICONISTA PROGRAM SALES COMMISSION POLICY

WHAT IS THE CHICONISTA PROGRAM?

The CHICONISTA program allows you to sell NKHenry products-having your own small business on the side. The CHICONISTA program allows you to become a sales rep. getting the word out about NKHenry and having fun and making money in the process.

HOW DOES IT WORK?

Simple!

To get started, CHICONISTA reps. are able to purchase up to 5 pieces of product at the wholesale level, to put together a sample collection. Then orders taken from family, friends, etc. would be sent to NKHenry for processing. CHICONISTA reps. start out making 18% commission on everything they sell. obviously the more you sell, the more you make.

Here are some fun and easy ways to sell:

Host a girls night in party

Charities- Sell our products at your functions and earn the commission to support your cause.

In addition to in person live events, as a rep. you will receive postcards with unique codes to give out to family, friends etc. to use anytime they would like to place an order via our website. These codes designate the sales made as yours at checkout.

Either way you will receive all of the necessary tools and support to grow your business as big as you like!

For example:

If you sell \$3000 or more per month, you will get 18% commission + a \$100 credit towards any NKHenry product in stock. Your credit will roll over from month to month and that adds up fast! You can use your credit to buy yourself something nice or buy new pieces to add to your sample collections!

If you sell \$5,000 or more per month, your commission rate will increase to 20% and you will get a \$150 credit towards any NKHenry product in stock.

Your commission rate will increase to 25% when you are selling \$10,000 or more per month. That means that you will get a check for a minimum of \$2,500/month or \$30,000/yr. In addition you would also be able to buy any NKHenry product at wholesale price.

Your customers will love their NKHenry purchases, but in the event that they are unhappy and need to return something, they may do so within 14 days of receipt. Your commission payment will be based on sales that (stick) during that respective time period. If someone returns something, the amount will be deducted from the sales total and your commission payment will be adjusted accordingly. If your customer needs to make an exchange, they may do so within 30 days. Both exchanged and returned items must be in new unworn condition with original tags, labels etc. attached. This sales policy can be found at NKHenry.com.

Product sheets/catalogs/lookbooks are all available on NKHenry.com for download- you will receive your password to download these following your sign up. However if you prefer glossy hard copies, these are available for \$6.00 per copy by contacting us at info@nkhenry.com.
