

# Mock Interview Schedule

---

**\*For those students involved in a mock interview, please bring “Coat and Tie Dress” to school so that we can practice more realistically. Students will not need to arrive at school in the morning dressed in their interview attire; they will have time at the beginning of study hall to change.**

Interviews will be scheduled during the study hall period in Mr. Willits’s office, or if need be, after school. If after the interview, you would like to schedule another interview or follow-up session, please let me know. Also, if there is a conflict, or if the time scheduled below doesn’t work, please contact me so that I may reschedule as soon as possible.
