

Pacific Trucking, Inc.
Since 1946

Dear Customer,

Thank you for your interest in the transportation services offered by Ludtke-Pacific Trucking, Inc.

Ludtke-Pacific Trucking, Inc. began its transportation services in 1946 hauling logs. In the 1960's we expanded our services to include dump trucks and specialized lowboy trailers to handle the movement of oversized equipment. Our services expanded further in the 1980's with a fleet of company owned long haul tractors and trailers to transport all types of general commodities. Diversification also included a flatbed division and a fleet of container chassis.

Ludtke-Pacific Trucking, Inc. has authority in all 48 states and British Columbia. We are a Customs bonded carrier in both the United States and Canada and are members of the Uniform Intermodal Interchange & Facilities Access Agreement (UIIA). We are members of the American Trucking Association, Washington Trucking Association and the British Columbia Trucking Association.

We are proud to offer our transportation services to our customers and are equally proud of our team of motivated personnel at Ludtke-Pacific Trucking, Inc. Should you have any questions regarding our transportation services or rates, please feel free to call us at 1-360-733-6670 or toll free 1-800-722-6670.

Sincerely,

Lex Ludtke
OTR Trucking Coordinator
