

## New Employee Website Bio Worksheet

Most new employees don't like to talk to about themselves. This is just a worksheet meant to help you think of things you may like to include in your bio. Please feel free to add additional information you would like to share that may not be included on this form. If you would like to see examples of current employees, please go to [www.palmharbordermatology.com](http://www.palmharbordermatology.com) and click on locations to see current employee bios.

Name: \_\_\_\_\_ Job title: \_\_\_\_\_

Where were you born and raised? How long have you lived in Florida.

Where did you go to school? Degrees received?

Where have you previously worked?

Do you have any hobbies or interests?

Would you like to say anything about your family or pets?

Do you do any volunteer work?

Favorite thing to do on weekends, time off.

Anything of interest that you would like to add to your bio.

Please return this form to your supervising manager. Supervising manager, please return the completed form with photo to Amy Parachini at [aparachini@palmharbordermatology.com](mailto:aparachini@palmharbordermatology.com).
