To arrive at the monthly payment due per month, take the number of service visits per year (39) and multiply it by the cost per service visit then divide by 12. You will receive an invoice for the same amount each month (Jan – Dec).

Invoices will be sent out to the client around the 15th of each month for the following month's services.

If payments are not received by the 1st of each service month, Shields Lawn Care may impose a late fee, withhold service, or upon written or verbal notice, cancel service.
