## **About Us:**

CityRide Passenger Services is a leading passenger transport company based in Austin, Texas. Since our inception in 2015, we have dedicated ourselves to providing safe, reliable, and comfortable transportation services to residents and visitors of Austin and the surrounding areas. Our mission is to enhance urban mobility and make public transportation the first choice for city travel.

## **Our Services:**

- **Daily Commute:** Regular routes covering major residential and commercial areas, ensuring a reliable mode of transportation for daily commuters.
- **School Transport:** Safe and punctual transportation services for students, including regular school runs and transportation for school events.

- **Corporate Services:** Tailored transport solutions for businesses, including employee shuttle services and transportation for corporate events.
- **Special Events:** Bespoke transport options for weddings, parties, concerts, and other events, offering a range of vehicles to suit any group size and preference.
- **Tourist Circuits:** Guided tours around Austin's landmarks, providing tourists with an informative and enjoyable way to explore the city.

### **Our Fleet:**

Our modern fleet includes a variety of vehicles to cater to different needs and preferences, including:

- Mini-buses for small groups
- Coaches for larger groups
- Luxury buses for special occasions
- Accessible vehicles for passengers with mobility issues

All our vehicles are equipped with comfortable seating, air conditioning, and on-board Wi-Fi, ensuring a pleasant journey regardless of the destination.

### **Safety and Quality:**

At CityRide Passenger Services, safety is our top priority. Our vehicles undergo regular maintenance and safety checks, and all our drivers are experienced professionals with excellent records. We are committed to providing high-quality service that meets and exceeds the expectations of our passengers.

### **Why Choose Us:**

- **Reliability:** Our extensive network and scheduling ensure that we're always there when you need us.
- **Comfort:** Modern, well-maintained vehicles equipped with amenities for a pleasant ride.

- **Safety:** A commitment to safety through regular vehicle checks and professional driving staff.
