

Construction Contractors Health and Safety Questionnaire

It is our policy to formally approve contractors prior to awarding contracts. We require this document to be completed to allow us to compare potential contractors. All answers given may be subject to further scrutiny at a later date. Please forward to us the documentation requested with your response.

		Answer/Comments	Documentation / Proof Required
1	Do you have a Health and Safety (H&S) policy?		✓
2	When was your Health and Safety Policy last updated or reviewed?		
3	Do you have Arrangements that detail how your company manages H&S?		✓
