

Retail Order Information Sheet

Edgy and affordable, our costumes are made from high quality lycra, lace, mesh and sequined fabrics and also feature hand sequinning, motifs, jewels and diamantes. All of our unique designs are copyrighted to Costume Glitz.

Our costumes are designed in Australia and manufactured in our factory in Indonesia and can be custom made in your choice of colour combinations, chosen from our vast range of fabrics.

We have a huge selection of costumes ready to dispatch in stock in our Gold Coast showroom, however we don't have all styles in every colour and size. In stock items can be despatched immediately after payment in full is received.

However please allow a minimum of 8 weeks for delivery for items that are not in stock so we recommend placing your orders well ahead of planned performance dates.
