

Ebook Health Disclaimer

No Medical or Personal Advice

The information in any of our handouts, e-books, written material, whether provided in hardcopy or digitally (together 'Material') is for general information purposes and nothing contained in it is, or is intended to be construed as advice. It does not take into account your individual health, medical, physical or emotional situation or needs. It is not a substitute for medical attention, treatment, examination, advice, treatment of existing conditions or diagnosis and is not intended to provide a clinical diagnosis nor take the place of proper medical advice from a fully qualified medical practitioner. You should, before you act or use any of this information, consider the appropriateness of this information having regard to your own personal situation and needs. You are responsible for consulting a suitable medical professional before using any of the information or materials contained in our Material or accessed through our website, before trying any treatment or taking any course of action that may directly or indirectly affect your health or well being.

Copyright Disclaimer for E-books
