### Day 1:

- Depart from Murtoa and travel to our accommodation (1 hour).
- On arrival, meet the team who will give a site overview, discuss the group objectives and course aims and excite the group about the challenges ahead before embarking on a trail walk with group activities.
- Set up and prepare a bush lunch to share together.
- Team activities focused on environmental discovery and sustainability themes – activities will enable to understand the importance of working and learning together. Key lesson will be to understand the individual's role in a high energy and effective team, as well as how listening, confidence, self belief and judgement can lead to effective outcomes.
- Zoo visit.
- Group BBQ and music challenge.
- Wildlife night walk and star gazing.

### Day 2:

- A morning of cycling and kayaking – applying leadership principles whilst discovering some new skills in a stunning location. Key lessons include understanding and managing risk safely, discovering your own leadership style, and how to adapt to working as a team where communication and trust is paramount.
- Set up and prepare a bush lunch to share together.
- Students take control and manage the group for a rewarding orientation, map reading, treasure hunt, bush walk to a great local view spot. Practical exercises the group will work through include the demonstration of some of the presentation and leadership best-practice from our adventure experience.
- Final dinner and disco.

### Day 3:

- Final group music and performance challenge.
- Bring all our learning and experience together for a final adventure race.
- Our final bush lunch together.
- Reflect on how students can take their learnings from this great 'natural playground' into their daily life.
- Final clean up before returning to Murtoa

Here's what you can expect on a Venture expedition:

## Arriving at your destination:

- You will be met by our local ground crew to ensure a smooth start to your journey.

## Accommodation:

- We only utilize trusted accommodation which we know to be clean, in a safe location and regularly inspected by local authorities. Accommodation is usually on a twin-share basis unless otherwise requested.
- When camping your group will be provided with all group camping equipment including tents, quality sleeping bags, sleeping mats, eating utensils, kit bags as well as three hearty meals per day prepared by our trained cooks in a hygienic and controlled environment.

## Guides:

- We believe local guides provide the best experience. Their local knowledge is unparalleled in terms of interpreting the natural and cultural environments, outlining the history of a region, engaging local dialogue and also re-arranging services if required.
- Many of our local guides have worked for our company for a decade or longer. They are first-aid trained, experienced, passionate about their country and we have the utmost confidence in their ability to provide a unique experience for your school.

## Well thought out itineraries:

- If itinerary design was an art form our work would be hanging in galleries around the world. At the very least it is most certainly a science and we have years of experience to ensure your itinerary is safe and achievable.
