

Mission Statement:

Project Mosaic is a UK-based charity that teaches people to be more tolerant of those from a different background, whether racial, religious, ethnic or economic. Project Mosaic promotes interfaith and intercultural tolerance, multiethnic good citizenship and integration of immigrant communities, and it works to combat prejudice, group hatred and extremism.

About us:

Project Mosaic was created in memory of New York Firefighter Lieutenant David J Fontana, who gave his life while rescuing people at the World Trade Center in New York City following the attacks of September 11, 2001. Dave was one of 343 firefighters who died while helping to rescue people from the North Tower and the South Tower of the World Trade Center. Project Mosaic is affiliated with Project Mosaic USA, Inc, a U.S.-based nonprofit set up with the same aims.

Project Mosaic initiatives include:

- the Project Mosaic Lecture Series on interfaith and intercultural tolerance and related issues
- the Global Citizen Programme, with inspiring people giving talks to young people and on the Internet
- the Project Mosaic Young Filmmakers YouTube Film Competition
