2020 Summer Camp Descriptions

See our schedule for dates, times, cost and age groups for each camp. WINGS camps are also offered.

Art Adventures – We're bringing the fun back to art while investigating our own artist within! Campers will have the opportunity to gain new skills, develop ways to express themselves, and learn about the world around them through fun, hands-on activities.

NASA ASTRO CAMP® - The theme for this year's ASTRO CAMP® is "*Moon, Mars and Beyond with NASA Science!*" ASTRO CAMP® presents math and science principles through fun, hands-on activities that inspire future astronauts and engineers to learn about space with NASA unique activities.

Baking Boot Camp - Explore the world of cooking in our state-of-the-art Viking kitchen. Each day campers will focus on different techniques including baking bread, cookies and other goodies in a healthy way encouraging children to love cooking and learning about the kitchen. *(This camp may include Nuts, Milk products, and Gluten)*

BUGS and MORE! – Over the week children will do many activities, crafts, and snacks to explore the world of BUGS! Sometimes the best observation for real bugs is from afar or in a jar. Either way, real or fake, kids can learn a lot about bugs and in this camp children will participate in many different activities with BUGS!

Camp Culinary - Here's an excellent opportunity for junior chefs to whisk their way into the world of cooking while learning how to have fun and create tasty recipes! This camp features basic cooking techniques, measurements, food plating, baking secrets, and more! Come join the fun in our state-of-the-art Viking Kitchen! *(This camp may include Nuts, Milk products, and Gluten)*

Cook with a Book - We are cooking with books! Campers will enjoy story time, create an edible treat and craft based upon a story and will even participate in recreational games. *(This camp may include Nuts, Milk products, and Gluten)*

Crazy Concoctions - All budding scientists will enjoy this week as we create one crazy concoction after another. Each day we will conduct experiments that focus on every day chemistry. Some concoctions will even be edible concoctions that campers are sure to enjoy. The messier the better!

Free to Be Three – Our young campers will explore shapes & colors, songs & dancing, numbers & letters, while playing with new friends! Campers will experience all the museum has to offer. Our young campers will have fun while practicing important skills like teamwork, coordination, self-confidence while learning and having a great time. Each week will be a new & fun adventure that these little campers are sure to enjoy!

FROZEN Camp – Come cool off with everything Elsa and Anna and of course OLAF! We invite children to dress up any day or every day during the week of camp! Campers will have a Fun Frozen week of crafts, singing, dancing and learning that any FROZEN fan will love!

Harry Potter – Pottermania continues – for a new generation. Campers will be sorted into tables at the Hat Sorting process, play games, make fun wizard crafts, and have exciting challenges that will keep campers on their wizarding toes!

Holiday Cooking - Explore Holidays with Food ~Mardi Gras, Valentines, Easter, 4th of July, Halloween, Thanksgiving, and Christmas ~ Campers will learn easy and FUN recipes for meals & treats sure to please any crowd! Participating in hands on cooking & decorating tips will be fun for everyone! *(This camp may include Nuts, Milk products, and Gluten!)*

Itty Bitty Theatre - Our youngest campers will delight in this magical week that will explore music, art, dance and theatrical activities. Campers will learn basic elements of theatre while having lots of fun!

Kids Around the World Cook! - What do kids in other countries eat for breakfast? Who created the first chocolate chip cookie? Let your curiosity--and appetite ~ run wild while you learn how to make scrumptious delicacies from cultures across the globe. This camp takes you on a taste-bud-tingling tour to lands far and near with a fun assortment of trivia and lots of safe and easy-to-make recipes. Explore crafts, traditional music and delicious foods from around the globe. *(This camp may include Nuts, Milk products, and Gluten!)*

Kids in the Kitchen - Little chefs, do you want to cook, but the grownups are concerned about the oven? Well, this is your chance to show them that you can make yummy meals and snacks in the kitchen and even use the oven! We will make lots of treats while learning basic kitchen skills. *(This camp may include Nuts, Milk products, and Gluten!)*

LEGO Camp – Building with brick/blocks is ‘good quality play’ and enriches a child’s life, ~ it also lays the foundation for later adult life. Campers will play brick/block building games, have building competitions, learn problem solving, group building, learn collaboration and communication and just enjoy some great hands on playing! LEGO Education Master Educator Mrs. Wendy Lizana will facilitate this camp.

Pet Vet Camp - Ever dreamt of growing up to be a doctor for pets? Join us for a week of veterinarian training! Discover that intake, x-rays, examinations, grooming and kenneling are all steps in having happy, healthy pets! We will make a variety of pet related crafts and spend time in the LMDC Little Pet Vet exhibit!

Pint Sized Pirates - Get ready for a week of adventure. Campers will go on a treasure hunt, make fun pirate crafts and explore every day. Campers are encouraged to wear their favorite pirate costume to camp any day!

Pretty PINK Princess Camp – Every little girl is a princess and this camp will encourage that! Campers will enjoy a week of everything pink & glittery, princess snacks, basic royal manners, self-care for every princess, and what it means to be a kind and caring princess! A week of princess crafts and lots of FUN sure to please any little girl!

Puppet Theatre - For the love of puppets! You will have your very own puppet theater and a wide range of puppets to work with in this camp, or bring your own! You’ll act out stories and songs with your new friends, make fun crafts while working together.

Rompin, Stompin Dinosaurs– Do YOU know how big dinosaurs were and what they ate? What kind of dinosaur is your favorite? We’ll journey back years to learn about the time when dinosaurs roamed the earth and discover the lost world where dinosaurs lived. It’s sure to be a fun prehistoric week!

Secret Garden - Collect pebbles, twigs, mosses and feathers from our spacious outdoors to create miniature environments for gnomes, elves and sprites. This week will be a magical adventure for any camper with an imagination!

Slime Science - It's a slime fest! Young scientists will discover what makes slime and why it's so fun to play with! There will be 5 days of science projects galore using materials you can find at home.

Superheroes Camp - Grab your cape and shield ~It's all about superheroes in this camp. The campers will participate in physical training, create their own costume, and meet some real life heroes from the community. There will be challenges throughout the week that will help campers be the best they can be. Campers will love finding out what their own superhero traits are for sure!

Theatre Camp 101 – Come learn the basics of theatre, campers will explore different activities such as acting, singing, dancing, and more. NO past requirements necessary! Join the WINGS Performing Arts directors in a fun and educational theatre camp experience where you will find your inner star!

Under the Sea Mermaid – Who doesn't love mermaids and everything that goes along with them! This is the camp for you! Join us as we set sail on a magical adventure with little mermaid! Campers will make mermaid snacks and enjoy fun mermaid crafts each day!

Wild, Wild West - Saddle up for a week full of western FUN! This week will be filled with a mix of western and bluegrass style fun for all ages.
