## **Procedure Change for 2019 Yearbook photos for grades 9-11**

All students in grades 9-11 must take their yearbook photo on Picture Day at Bullard in the fall. In the past, we have used ID photos but because 9<sup>th</sup> grade students come from many different schools, we have decided to use the photos that are taken on Picture Day at school. Picture day will be announced at the beginning of school and will be held in 9-10 grade PE and 11<sup>th</sup> grade History classes. This is usually at the end of August with make-ups at the beginning of October. All students must take their photo on this day if they want to be included in the 2019 yearbook.
