

## Private Company Visit Report

Date of visit	25 March, 2015 (Wed.)
Place of visit	TLV CO., LTD. (Kakogawa city, Hyogo pref.)
Visitors	TERI: 2 (Mr. Girish Sethi, Mr. Prosanto Pal) IGES: 4

On 25 March, 2015, representatives from IGES and TERI, namely Mr. Girish Sethi and Mr. Prosanto Pal, visited TLV CO., LTD, a private company located in Kakogawa city, Hyogo Prefecture. The purpose of the visit was to enhance IGES-TERI networking with TLV, through sharing the results and findings from previous IGES-TERI projects in India. It was also good opportunity to learn about and explore TLV's low-carbon technology on energy efficient steam systems, especially their steam system optimisation programme (SSOP). IGES-TERI discussed with representatives of TLV about potential future activities in India. They showed an interest and readiness to cooperate, and it is now up to IGES-TERI to come up with a concrete activities plan.
