All fundraiser proposals must be filed at least 30 days prior to the proposed promotion or event date in order to be approved by KidsTLC development staff.

Events must comply with all federal, state and local laws governing charitable fund raising, gift reporting and special events.

Events in which KidsTLC's name and/or logo are used must be in accordance with the established style guidelines and approved by KidsTLC's marketing department BEFORE distribution.

"KidsTLC " cannot be used in the title of the event, but may be identified as the beneficiary of the event. For example, organizers should not refer to the event as "KidsTLC XYZ Event" but rather "XYZ Event to Benefit KidsTLC."

The organization and execution of the event is the sole responsibility of the event organizer. The organizer(s) must obtain any necessary permits, licenses, and/or insurance.

I have read the KidsTLC Fundraising Events General Guidelines and understand what is required for my event to be considered.
