

Artist Statement

An artist statement is a short piece of writing that expresses the inspiration and intent for your art. It may also discuss your creative process or what experiences have influenced you. You don't have to explain your photo, or tell the audience what they are supposed to feel, allow your audience to experience your art in their own way.

Choices I Made

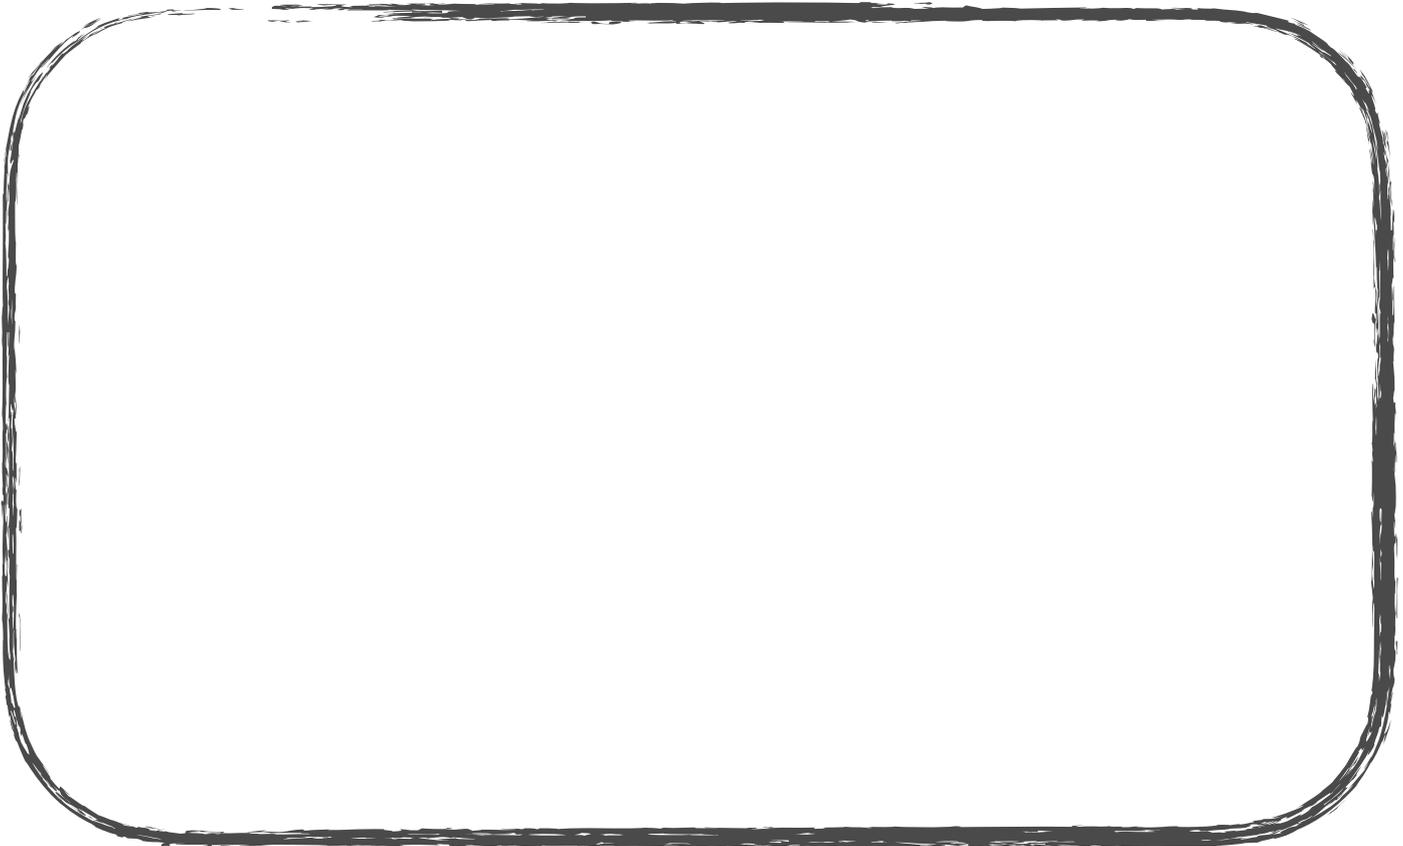

Theme I Explored

Artists Statement Feedback

A large, hand-drawn speech bubble outline with a tail pointing downwards and to the right. The outline is thick and black, with a slightly irregular, sketchy appearance. The interior of the bubble is empty.

Final Draft

A large, hand-drawn rounded rectangular box outline. The outline is thick and black, with a slightly irregular, sketchy appearance. The interior of the box is empty.
