

Car Seat Program

Release of Liability and Sales Receipt

Patients who qualify can receive a low-cost car or booster seat from Seattle Children's. All car seats must be installed properly and used correctly to work in a crash. If you are getting a car seat from us, you must complete the required education and initial each statement below.

Please
Initial

- _____ I watched the car seat video. It explained the correct way to install and use a car seat.
- _____ I have been given a copy of the manufacturer's instructions and will use the car seat according to those instructions at all times. I know if I do not use the car seat as directed, the seat may not work in a crash, and injury or death could result.
- _____ I understand that if the car seat has been in a crash, it may no longer work and should be replaced. If the car seat is in a crash, I will return it to Children's where it will be examined and, if damaged, replaced by Evenflow at no cost.

Children's and their employees assume no responsibility for the final adjustment or installation and, therefore, may not be held liable for any injury or loss. I agree to accept all responsibility for the installation and use of the car seat. All sales are final.
