

REQUEST FOR PROPOSALS/QUOTES
PROFESSIONAL CLEANING AND DISINFECTING SERVICES
FOR CITY OF FARGO BUILDINGS AND EQUIPMENT

The City of Fargo seeks a professional cleaning service to provide cleaning and disinfecting services for municipal offices, work areas, and equipment on an as needed basis. The City seeks to provide safe and sanitary working space for City employees. The exact amount and type of services needed is currently unknown and may vary from time to time or location to location. The services to be provided must meet or exceed the Center for Disease Control and Prevention Environmental Cleaning and Disinfection Recommendations, Interim Recommendations for US Community Facilities with Suspected/Confirmed Coronavirus Disease 2019.

Responses are due no later than **Monday, June 1, 2020 at 2:00 p.m. (Central Time)**. Due to the 2020 Emergency Declaration Related to COVID-19, we encourage the public to deliver Requests for Proposals in the manner of one of the preferred methods listed below, by the due date:

1. Mail to City of Fargo, Auditor's Office, 225 4th St N, Fargo ND 58102 (Write your project name on the outside of your envelope)
2. Deposit your envelope in the Drop Box located at the entrance of the City Hall employee parking ramp, on 3rd Ave N. (Write your project name on the outside of your envelope)

Questions regarding this Request for Proposals/Quotes may be submitted to Brock Morrison Director of Facilities Management 701-476-6966 BMorrison@FargoND.gov

Scope of Services. The selected service provider or providers will work with the City of Fargo to provide cleaning and disinfecting services as needed on an on-call basis. The scope of services does not include general custodial services. Appendix A lists City of Fargo Facilities

The Scope of Services also includes cleaning and disinfecting equipment utilized in providing city services such as vehicles, trucks and heavy equipment.

Interested persons should submit the following:

- A brief summary of the company, firm or individual proposing to provide such services and products for cleaning and disinfecting.
- A brief summary of past experience for similar services including reference information.
- A description of availability to provide the services including a description of current work load.
- Identify the number of personnel or workforce available to provide such services to the City of Fargo.
- Please include a list of potential products to be used for cleaning and disinfecting and appropriate SDS forms and information for each product.
- Fees/charges. Identify the fees/charges for such services and products. This request is seeking proposals or bids on an hourly basis plus products (time and material).

Service providers are expected to provide all cleaning equipment, tools, products and staff necessary to clean or disinfect as provided herein.

Time is of the essence and this Request for Proposals/Quotes is intended to create a speedy and efficient process for the procurement of professional cleaning and disinfecting services to address the impact of COVID-19.

The City will review responses and contact firms providing responses on a rolling basis as it deems necessary and appropriate. The factors to be evaluated will include price and ability to fulfill the needs of the City. No one factor will be dispositive or determinative. The City reserves the right to accept one or more proposals. Any selection will be based upon the best interests of the City.
