Securing Your Business

BPS Secure Solutions Private Limited

BPS firmly believes that the main criteria in providing quality security services are:

- Selection
- Training
- Supervision
- Post & Site Instructions,
- Corporate Response, and
- Client Feedback

TRAINING

BPS Policy mandates before any deployment that all BPS employees undertake a comprehensive Training Course which also fulfills the requirement as per the PSARA Act in the country.

In addition to lessons on basic guarding skills they are taught the rudiments of First Aid, fire fighting and Self Defense. The training process is ongoing and progressive throughout the employees' career to refresh and further develop their knowledge.

The main topics covered:

1. Basic Training
2. Refresher Training
3. Continuous Educational and Skill Development Programs
4. Management Development Programs
5. On the Job Training at client premises

Securing Your Business

BPS Secure Solutions Private Limited

Our training courses are designed after having in-depth discussions with the client and assessing the training needs of the staff. The aim of these courses is to enhance the security skills of the security personnel and develop management skills in the supervisory and management staff.

SUPERVISION

In order to provide quality service, we give a lot of importance to in depth and active on-the-ground supervision. In this regard, a strong Operations team comprising of Managers, Security Officers and Patrolling Supervisors, who are equipped with Radio Communications & Mobile Phones, carry out checks on all our assignments and guards on a 24x7 basis.

POST & SITE INSTRUCTIONS

Before BPS takes up any assignment, a team of Operations staff visit the site to analyze and understand the Security needs of client's premises. Based on the survey report a Security setup for the premises is designed. A detailed set of instructions including Charter of duties for Security personnel; client's expectations from security staff, emergency procedures and other relevant details are documented. This set of Post & Site Instructions are prepared in consultation with client.

CLIENT RELATIONS

Acquiring, Winning, Retaining & Growing

At BPS, customer care has always been a tradition. Understanding the client's needs, anticipating their requirements, checking on clients' comfort levels, using feedback constructively has preempted many a crisis situation, thus contributing to the company's growing satisfied customer base.

CLIENT FEEDBACK

To further improve upon our services and meet the expectations of our clients, we seek continuous comments from our Customers. We have a system whereby we get a regular Client
