

Technical Compliance Statement

DUAL OUTPUT DC POWER SUPPLY : Quantity : 2 Nos

Sr. No.	Item	Values / Description (to be filled as per technical specification of the item offered by the bidder)
1	Power Supply Unit Type	
2	Output Voltage Range	
3	Output Current Range	
4	Output Modes	
5	Operating Mode	
6	Settings Lock	
7	Output Protection	
8	Over-temp Protection	
9	Line Regulation	
10	Load Regulation	
11	Ripple & Noise	
12	Temperature Coefficient	
13	Cooling System	
14	Remote Control Interface	
15	AC Input	
16	Facility to operate Series and Parallel combination	
17	Voltage and Current Meters on front panel	
18	Electromagnetic Compatibility	
19	Operating Temp Range	
20	Operating Humidity Range	
21	Warranty
