

COMPANY PROFILE

OVERVIEW

Office technology and the world of printing hardware and printer consumables deliver something new every day.

Sourcing and purchasing the correct printing hardware and consumables can be time consuming and costly for your organisation. But as specialists The Printer Wizards will make these tasks effortless.

The Printer Wizards is a progressive company whose understanding of each customer's needs ensures that purchasing our products delivers significant cost savings and ongoing efficiencies.

OUR COMPANY

Starting from a humble beginnings over 20-years ago, The Printer Wizards is now recognised as a specialised local and national supplier of office products. Namely, printing hardware (printers and photocopiers), office equipment servicing, stationery and printing consumables.

In hardware we chose only the best brands available and in consumables we carry cartridges and toners for all the major brands such as Sharp, OKI, Brother, Hewlett Packard, Canon, Epson, Lexmark, Kyocera, Fuji-Xerox and Ricoh just to name a few.

Being environmentally conscious, The Printer Wizards has long been at the forefront of providing premium quality cartridges through environmentally acceptable practices.

Our PL Brand Print Cartridge is recognised as a leading brands, and is used by both business and government .

At The Printer Wizards we don't just sell the product, we understand how it works. We believe it is our responsibility to assist you with superior technical advice and cost effective logistical solutions for everything we sell.

SERVICES

Service & Repair

The Printer Wizards also understands that at some point your office machines will need a service or may fail. That's why we employ experienced technical staff who can quickly repair the equipment or guide you to a trouble free resolution.

Delivery

We offer fast delivery to all our business customers

In this fast paced world we understand that your organisation needs delivery "on time every time", that's why we try to stock every printer consumable that you might need. But, if for some reason we don't have exactly what you want, we will get it... fast!

Our existing freight logistics allows us to deliver to you (in most cases) overnight anywhere in Australia. Our central locations and proven experience ensures your delivery.

Staff

All our staff are trained to assist with your printer and consumable requirements. Continuous training and up to the minute product knowledge ensures that we deliver the type of service your business requires.

Environmentally Friendly

As part of our Environmental Management System (based on ISO 14001) The Printer Wizards encourage all customers to utilise our free empty cartridge return bins to assist in the collection of used cartridges.

We observe the following recycle procedures:

- Empty cartridges are firstly assessed for re-use within the cartridge industry.
- Cartridges that cannot be re-used in the industry are then sent to be recycled into other products where possible.
- Cardboard and foam packaging are recycled.

The Printer Wizards always strives for zero landfill of all products and offers every customer the opportunity to become partners with us in this goal.

OUR MISSION

At The Printer Wizards we understand that no matter how good our products and prices are... it's our service that matters!

That's why we don't have products like home appliances and white goods.

We just specialise in your office needs... therefore ensuring we are the very best at what we do.

Printers, photocopiers and stationery are an integral part of all business operations. So when copier jams or you run out of paper we'll be there in a flash.

You CAN rely on The Printer Wizards!
