THE COMPANY

Infinite Transport is a dynamic and innovative transport and Logistics Company, with a strategic specialized fleet, providing solutions throughout the SADC countries for a diverse range of customers.

Our blend of owned vehicles, innovative solutions, strategic partnerships, 4PL and 3PL service offerings coupled with excellent service, quick decision making and first-hand knowledge enables us to supply our customers with a tailor made, reliable and cost effective solution.

Infinite Transport's operation grew to its current size due to our integrity, drive to supply innovative solutions to our customers and integration ability of elements within the supply chain and the various cultures involved across the SADC region.

This ability remains the corner stone of our current operation.

VISION

To be acknowledged by our customers as an integral part of their supply chain requirements within South Africa and throughout the rest of the SADC countries.

Infinite transport has embraced South African BEE transformation requirements. **We are proud to be a 51% black woman owned company.**

MISSION

Our mission and core values are integrated in what we strive to achieve as the Infinite way.

OUR PEOPLE

- To create a positive environment where every employee can fully live out Gods plan for his career
- To assist with the development of every individual in their specific position and as person to live a purpose driven live
- To adhere and live out the inter personal principals and guidelines mentioned in the Bible to the best of our ability
- Always remember that compassion

CUSTOMERS, SUPPLIERS & COMPETITION

- Anyone can be a messenger or blessing sent by God, thus we should handle each and every one with respect, honesty, importance and love.
- Live each day to the fullest and make the best use of each opportunity. (Make every day your signature day!)
- Preach the word of God at all times and then when you have to - use words.
- We will supply an excellent and purpose driven service that surpasses each and every customer's requirement.

NATURE & OUR ENVIRONMENT

- Everything around us has been created by our Creator, exactly as intended, thus we are meagrely steward of our environment
- All our business activities should be conducted in such a way as not to disturb the natural harmony that He has created in nature and the environment, if anything is disturbed while conducting our business, it will be rehabilitated to its original form as far as humanly possible

To glorify God by being a faithful steward of all that is entrusted to us and to have a positive influence on all who come in contact with Infinite Transport.

CORE VALUES

INTEGRITY

Success will come and go, but integrity is forever. Integrity means doing the right thing at all times and in all circumstances, whether or not anyone is watching. It takes having the courage to do the right thing, no matter what the consequences will be. Building a reputation of integrity takes years, but it takes only a second to lose, so never allow yourself to ever do anything that would damage your or the companies integrity

INNOVATION

The process of translating an idea or invention into a service that creates value or for which customers will pay. It must be replicable at an economical cost and must satisfy a specific need. It involves deliberate application of information, imagination and initiative in deriving greater or different values from resources, and includes all processes by which new ideas are generated and converted into useful products. Infinite Transport strives to be innovative!

INTEGRATION

The process of attaining close and seamless coordination between several departments, groups, organizations, systems, etc. and the bringing of people from different racial or ethnic groups into unrestricted and equal association, in society and our organization; desegregation
