

Oklahoma Department of Corrections Request for Grant Application

Obtaining an approved Request for Grant Application form is the first step in the grant application process.

This form is used to secure authorization from the Unit to pursue the funding and match funds if required.

This form is also used to create a basic/preliminary program design that will be used later in the application process.

A new form must be submitted for each grant application.

Project/Program Title: _____

SME Name(s): _____

Point of Contact Name: _____

Facility/Unit: _____

Phone and E-mail: _____ @ _____

PROBLEM STATEMENT

Please describe the nature and extent of the problem to be addressed and improvements needed to address the problem. The purpose of this section is for the Grants Manager to develop a clear, concise picture of the problem or gap in services or benefits that will be addressed using grant funds. This section should also describe approaches taken thus far to address the problem. The description of the problem should be supported by an analysis of statistical information and/or other factual information or relevant literature.

PROGRAM DESCRIPTION

Please provide a description of the proposed solution to the problem, including the scope and intent of the proposed grant project relative to the agency mission.

GOALS & OBJECTIVES / EVALUATION / PERFORMANCE MEASURES

Please outline how the program should be evaluated, including what performance measures will be used to evaluate the program. Performance measures are used to determine the impact of the program's activities. They provide quantifiable information on the status of achievement on each objective. Performance measures clearly indicate if the objectives have been achieved; or, using increments, measure the degree to which the objectives have been accomplished.

PROGRAM / PROJECT COSTS

Please meet with the Grants Accountant to verify costs prior to submitting this section.

This section outlines the total annual cost for the project or program. Summary details in each area should be included in the table below:
