AL-AMIN GARDENS

**OUR COMPANY  
LAUNCHED OPERATIONS  
15 YEARS AGO IN THE  
BEAUTIFUL KINGDOM OF  
BAHRAIN**

## ABOUT US

**We commenced business in the field of landscaping and irrigation works under the well-experienced and trusted management of the flagship company, Ali Rashid Al-Amin Co. B.S.C (Closed)**

Since then, through our dedication to great customer service and our integrity of workmanship, the company has grown to become one of Bahrain's leading custom landscape company. With over one hundred and twenty employees and over 15 years in the landscaping business, Al Amin Gardens team is well trained and highly experienced. Since its inception, we have been providing quality landscaping design, irrigation systems, hardscape/softscape installation, maintenance, and sale of related products such as fertilizers, manures, chemicals, garden tools and machinery to our valued customers.

Today's consumers are more sophisticated and demanding. That's why they choose Al Amin Gardens. We exceed rather than meet our customers' expectations. There's no reason to settle for landscaping results or services that are inferior to what you deserve. With Al Amin Gardens, you'll always receive the highest quality of services.

## **OUR PROMISE**

We will go to any length to achieve the landscape you envisioned. Our systemized care and maintenance programs ensure that it remains in outstanding conditions.

We provide courteous, reliable, and flexible service in all matters, and it is our aim to grow with every project by adhering to these principles. This is our promise.

**WHETHER YOU HAVE  
A SMALL COTTAGE OR  
A LARGE ESTATE, WE WILL  
DO WHATEVER IT TAKES  
TO MAKE SURE YOU ARE  
HAPPY WITH OUR WORK**

## OUR MISSION

It is our mission to creatively solve our clients outdoor landscaping challenges and meet their needs by providing the means to turn their ideas into a beautiful reality.

We achieve this mission by building faith in our business through our impeccable reputation, knowing that every job is a reference - no matter how big or small. We wish to establish a long-term relationship with our clients and care for their residential or commercial gardens, transforming and exceeding their expectations year after year.

## **WHAT YOU CAN EXPECT**

We work on your project from start to finish, completing every stage ourselves. This way, we avoid delays and possible quality issues with subcontractors. Only by taking your project through our design process and then handing it to our own hardscape and softscape crews, we ensure the quality standards, that give Al Amin Gardens its name. Furthermore, we personally supervise your project, and we are always ready to respond to your questions and concerns in a prompt and courteous manner.

# SPECIALTIES

## Landscaping

We provide total turn-key landscape services from the initial inspiring concept sketches and plans of our design landscape division; through providing complete landscapes that fuse modern techniques, the use of materials with our innate style, and a desire to create a positive harmonious environment.

Our specialist team is made up of committed and passionate designers, engineers, architects, and horticulturists who strive to make a positive difference every day in each and every project. We offer a range of quality services that include:

- Site-surveys
- Comprehensive estimates and quotations
- Sourcing of high quality plants
- Supply of attractive stunning planters in a selection of materials to complement your choice of flora and décor
- Installation of "live" landscape or upgrading of existing "live" landscapes
- Annual maintenance contracts ensuring that the plants stay healthy and attractive for many years ahead
- Sourcing of plants, pots, garden furniture, fountains and other garden accessories.

## **Irrigation & Waterscapes**

Our focus is delivering the best in the market where our expectations match those of our client and we achieve this through our commitment and attention to detail. We offer a professional service that continues for the life of irrigation system/waterscapes and you can expect the very best of materials to be installed by our experienced tradesmen. We have shaped our company around our client's needs and offer the following specialist services:

- Automatic Irrigation systems
- Indoor and outdoor fountains
- Design / consultancy services
- Annual Maintenance care and upkeep services of irrigation system, waterscapes and pools

## **Garden Centre**

We are committed to provide a wide range of quality plants and garden products.

## **Nursery**

Our nurseries have the capacity both to supply our own as well as meet the demands of the retail and wholesale sectors along with landscape contractors and government clients. Our range of plants includes a wide scope of palms and trees (Ornamental and Fruit trees), shrubs, vines and ground covers.

## TURF MACHINERY AND PRODUCTS

We ensure delivery of products with proven performance reliability to overcome the adverse environmental conditions of the Arabian Gulf region.

Our commitment to customer satisfaction is demonstrated through excellent after-sales service and support that includes: qualified trained mechanics; a comprehensive range of spare parts; annual service contracts and well-equipped work shop facilities.

The range of machinery, equipment and professional products we provide include:

- Soil conditioners, turf and ornamental fertilisers and pesticides
- Turf farm equipment and machinery
- Sports & leisure equipment and machinery - tractors, mowers, aeration machinery, debris blowers, verti-cutters
- Tools and equipments for sports pitches
- Landscape maintenance equipment and machinery - light & heavy compact tractors, trailers, seed-bed makers, sod cutters, lawn mowers & edger's, grass-seeders, pasture-toppers & fertiliser spreaders
- Turf and ornamental maintenance machinery

## FENCING & CONSTRUCTION MATERIALS

We are a leading provider of construction materials that service the irrigation, landscaping, grounds maintenance and construction industries.

Our committed, qualified and experienced staff are customer service focused to ensure that our clients attain total satisfaction, resulting in a continuous, long lasting relationship.

We provide and install the highest quality fence products for residential or commercial application.

Using high quality fencing and gate materials and expert installation, you are guaranteed a security fence of the highest standard.

## **MAN POWER AND EQUIPMENT**

With over one hundred and twenty employees and over 15 years of experience, the Al Amin Gardens team is well-trained and experienced.

We are stocked with all the necessary equipment to completely fulfill your landscape construction and maintenance needs.

## **AREA OF SERVICE**

Our trucks and crew can be seen all over Bahrain, including: Janabiya, Riffa, Jasra, Hidd, Reef Island, Muharraq, Isa Town, Bahrain Bay, the Diplomatic Area, Sakhir, Al Areen, Nabi Saleh, Al Aali, Manama, Amwaj Islands, Hamala, Budaiya, Durrat Al Bahrain and Riffa Views.

## OUR LANDSCAPE DESIGN PROCESS

Our landscaping specialists are very structured and methodical in their approach. Below is a summary of the design process from inception to completion:

- Initial discussions on project / site with the client
- Enter into design agreement
- Evaluate and measure the site and take digital pictures
- Present landscaping plan and itemized estimate to suit all budgets
- Present plan and estimate to client
- Make revisions according to the client's needs
- Enter into written agreement and schedule
- Commence landscaping work
- Complete masonry and hardscape
- Complete planting of softscape
- Finalize work and issue warranty to the client

## THE BEST PLANTS AND MATERIALS

To ensure that clients receive the highest quality plants, our experienced horticulturists source trees, shrubs and rare feature plants through our established nursery network at a fair price.

## QUESTIONS YOU MIGHT ASK US

How long have you been in business?  
More than 15 years.

What kind of training do you have?  
Our team includes members with varying levels of formal education, ranging from diplomas, bachelor's and master's degrees.

All of our landscape engineers, supervisors, and foremen are highly proficient, and most of them have been with us for many years, taking pride in their work. Their skills have been honed through extensive in-house training, and it is their passion for the landscaping business that drives them to excel at their craft.

Are you insured?  
Yes.

## **TAILORING OUR SERVICES TO YOUR NEEDS**

### **Design**

Al Amin Gardens creates picture-perfect landscapes for your residential or commercial property. Our specialists look forward to drafting a custom plan that suits your area, budget, and timeline. Considering your specific needs, we include whichever element you wish for. Do you envision yourself sitting among fragrant flower beds? Do you like the soothing sound of a fountain? We will make it happen for you.

When it comes to design your property, it is essential that every factor that might influence the final result, be considered. Creating a design plan for your landscape is not just a matter of writing down notes and lines in a note book - a design plan is a blueprint for attainable and sustainable results.

Al Amin Gardens understands the importance of the design phase in your landscaping plan. We thoroughly analyze every aspect of your property and make recommendations based on your desired result and the landscape you have available. Our designers work closely with you to arrive at the landscape plan that fully meets your expectations. The part of exceeding them follows.

### **Construction**

The construction marks the implementation of your landscape design, and this is where you will truly witness our outstanding expertise and commitment. After agreeing on the final landscape plan with you, our designers hand over the plan to our team of craftsmen, who use their extensive experience along with their unique skills to realize your vision. At Al Amin Gardens, we believe that optimal results can only be achieved with a strong team. Therefore, our designers work closely

with our horticulturists, engineers, and craftsmen to bring to life what you have imagined. Every project, whether commercial or residential, is closely and personally supervised by us, which enables us to give you our 100% satisfaction guarantee.

## **Maintenance**

All our hard work would go to waste if we had not devised a reliable system to maintain the beautiful outdoor space we have created for you.

With Al Amin Gardens, you are sure to enjoy the landscape of your dreams for many years to come. Our dedicated staff use state-of-the-art equipment along with effective methods that have been refined over the years to keep your landscape perfectly manicured.

## **Irrigation**

Irrigation is a vital part of landscape maintenance - even more so in a climate as hot and dry as Bahrain's. Therefore, Al Amin Gardens prides itself in installing only the highest-quality irrigation systems. Despite their sophistication, these systems are easy to use. Depending on your needs, we can install a simple residential system or an extravagant assemblage for playfields, parks, or other large areas.

Furthermore, our dependable repair system ensures that your irrigation system always operates at peak efficiency - whether it was installed by us or whether it is a pre-existing system.
