Your Air & Sea Freight Logistic Solutions

From The CEO

The clearing and forwarding industry in addition to transportation and logistics are ever changing and becoming even more sophisticated. Players of these industries have to constantly innovate and upgrade their operating methods to serve their clients more efficiently and cost effectively.

At Tallient Logistics we are determined to continuously improve our service delivery methods and policies with objective of exceeding client expectations and at the same time staying ahead of the competition. We welcome you to try our services.

Feel free to get in touch with us at any time.

Thank you.

-CEO

Tallient Logistics Limited

About Us

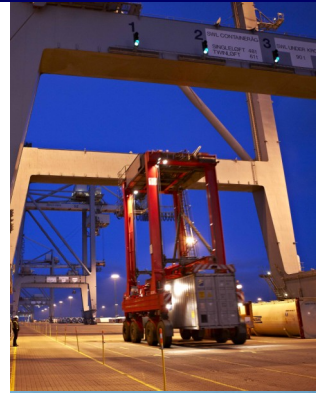

We are a privately owned company that provides top-notch clearing and forwarding solutions.

Headquartered in Mombasa, Kenya, we have substantial operating capacity, powered by a team of approximately 25 highly professional staff with a combined experience over 50 years in the industry.

We offer a range of value added services, such as free consulting to clients regarding a variety of customs processes and procedures and are guided by stringent value principles apply best practices in our daily operations

We also offer transportation and logistics services through our sister & Liaising company, Anfaa Transporters & Meltrac Uganda Limited and that which makes us one stop service and your choice logistics solution provider.

At Tallient Logistics Limited we pursue relationship selling with the main intention of forming long-term positive business relationships with clients. We employ the modern technologies and IT solutions in all our operations.

Our Services

Clearing & Forwarding

We offer one stop shop service (clearing and forwarding, logistics, transportation & Commission Agents) mostly to mid and large scale clients as follows:

1. Customs clearance of all kinds of cargo, and this include both local and transit
2. Clearance in Uganda / delivery to customers
3. Import and export documentation
4. Cargo consolidation
5. Booking and shipping of cargo to and from Local Port
6. Transfer from Local Port of all types of cargo including Out Of Gauge (oog) both local and Transit

Our well-trained and competent staff handle clearing and transportation projects highly safely, most reliably, professionally knowledgeably.

Our Services

Transport & Logistics

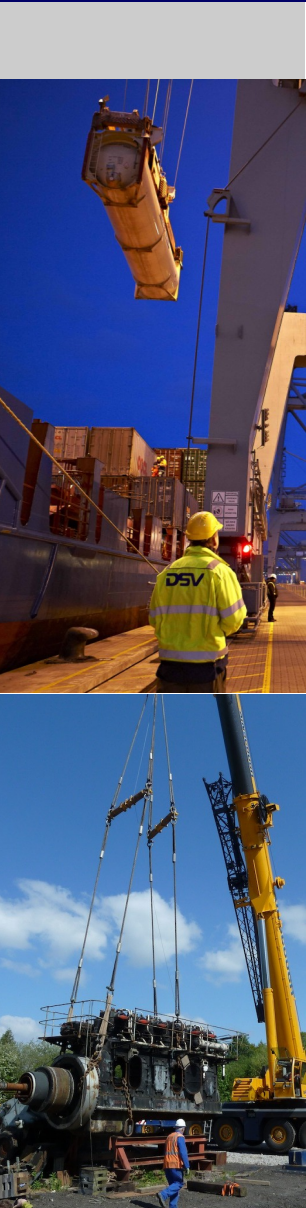

Providing logistics and transportation services is our core competency. Our main functional areas are transportation, warehousing, and distribution. We have enough fleet of trucks and equipment's that are operated by highly professional persons, who are ready to pick and deliver cargo of nearly any dimension and structure.

Tallient Logistics Ltd is well known for its "safety-first" policy that guarantees safe handling and delivery of our clients' shipments. Our truck brands are specifically chosen to handle the prevailing roads infrastructure whereas our experienced drivers have longstanding knowledge of local plus contiguous nations' routes. We have also invested in modern technology, such as car trucking system, which helps increase efficiency and control of our shipments.

Precisely Tallient Logistics Ltd offers:

1. Transportation
2. Moving services
3. Processing of abnormal cargo permits
4. Cargo tracking and escorting.

Technology & Tools

Technology and tools are our most important partners in our efforts to maintain efficiency and quality of our works. Unlike other ordinary companies, we have invested substantially in trucks, tools, and ICT equipment's, for example, goods and vehicle tracking systems for purposes of adding value to our clients through efficiency of communication, operations, goods tracking, etc.

Continuous Improvement

Aligned with our vision to become the most reliable and cost-efficient and for purposes of adapting to the changing trends of business, we highly embrace the concept of continuous improvement. As evidence, our staffs go through regular training designed to improve their soft and ICT skills.

Additionally, we often upgrade software or hardware of our ICT equipment's to adapt to (or comply with) changing trends of the industries we operate.

Our Mission

To add value to our esteemed clients by providing end-to-end freight forwarding along with transportation and logistics solutions. Our belief is that our success depends on clients' success entirely backed by exceptional teamwork approach, while constantly striving to leave a client with an everlasting positive customer experience.

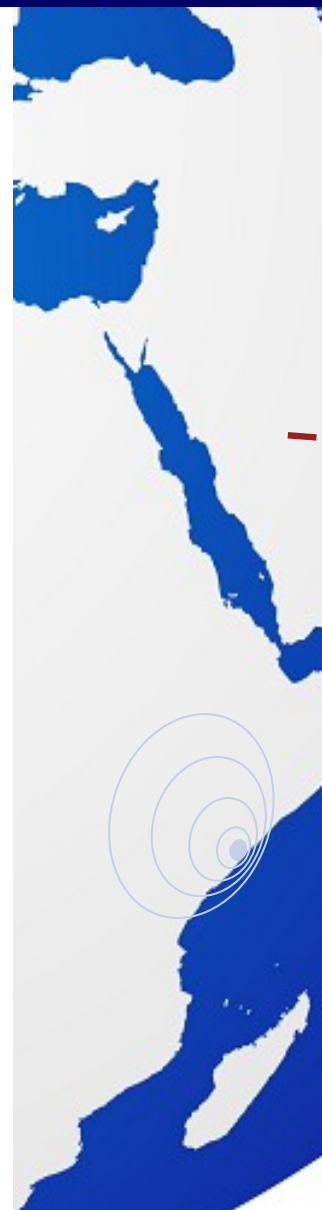

Our Vision

To become the most reliable and cost-efficient company in the greater Eastern Africa Region that serves freight forwarding plus transportation and logistics segments in an exceptionally professional, short-timed, and quality consciousness manner.

Organizational Structure

We have a team of highly qualified experienced and dedicated staff all committed to professional, efficient and reliable service delivery. We have 25 employees spread out in our head office and branches.

Head Office: Mombasa; **Branches:** 1. Malaba 2. Uganda
