

## **REPORT OF PARENT'S FEEDBACK ANALYSIS FOR THE ACADEMIC YEAR 2016-19**

This institute was established with the mission to provide guidance, identifying talent, and enhancing potential, encouraging students to follow their dreams and helping them become successful professionals.

Parents have entrusted the future of their children into our hands and thus they play a very important role in the development and enhancement of the quality of this learning experience. Feedback from parents allows the institute to evaluate its service provision and thus cater to providing excellent service towards the students.

The feedback analysis process has put an increasing emphasis on the need for involvement of parents in the quality assurance of excellent education. Parent's involvement requires that they play an active role in participating for the holistic development of their children.

Likewise every year at the end of the semester in the month of April, feedback forms are distributed to the parents of final year undergraduate students. This circulation, distribution of feedback forms and collection of filled feedback forms was done by the IQAC department.
