

Facsimile Signature Declaration for Personal Property Statement(s)

Public Act 126 of 1996 states that a facsimile signature may be used on a personal property statement if the person using the facsimile signature has filed this declaration with the State Tax Commission for each year that the facsimile signature is used. A facsimile signature is a copy or a reproduction of an original signature.

For a facsimile signature to be used on a personal property statement, a completed, notarized, declaration must be received by the State Tax Commission staff of the Michigan Department of Treasury (517 373-0500) by February 1 of the year of the personal property statement. This declaration must be timely filed every year that a facsimile signature is to be used on a personal property statement.
