

Our Mission Statement

It is the mission of ElectrAtest to improve safety in the workplace for all. ElectrAtest and its franchise owners are committed to offering the highest levels of customer service possible within the field of electrical health and safety in the workplace, at the same time offering the best possible value for money. ElectrAtest will continue, through constant market research and development to keep our testing and certification as the market leader for simplicity, accuracy and clarity.

Quality Assurance Statement

ElectrAtest have built their reputation on quality and dependability since 1989. Quality makes the difference to the service that ElectrAtest provides. ElectrAtest has adopted the policy that there can be no compromise where the quality of our service is concerned. A strict systematic quality control program insures that our service will always conform to customer specifications.

ElectrAtest is dedicated to satisfying its customers' requirements the first time and every time through excellence in its technology and services.
