

Garments Trading Company Profile

Company Overview

Name: Global Threads Trading Co.

Location: 456 Commerce Blvd, Textile City, TC 10110

Established: 2015

Employees: 150

Global Threads Trading Co. specializes in the import and export of high-quality garments, catering to a diverse international market. Founded in 2015 in Textile City, our company has quickly established itself as a key player in the global textiles market, connecting manufacturers and retailers across continents.

Mission Statement

Our mission is to facilitate global access to quality garments, enhancing fashion accessibility and promoting cultural exchange through textiles.

Vision Statement

To become a leader in the global garments trading industry, known for our reliability, customer service, and contribution to global fashion trends.

Core Values

- **Integrity:** Upholding honesty, transparency, and ethics in all our business dealings.
- **Quality:** Ensuring the highest quality of products in our trading portfolio.
- **Diversity:** Embracing cultural diversity in our product offerings and partnerships.
- **Customer Focus:** Prioritizing customer satisfaction and tailored solutions.

Products and Services

- **Wholesale Trading:** Bulk trading of men's, women's, and children's clothing to retailers worldwide.
- **Supply Chain Solutions:** Providing logistics and supply chain management services to ensure efficient product delivery.
- **Market Expansion Services:** Assisting manufacturers in entering and establishing a presence in new international markets.

Global Reach

We operate in over 30 countries, with key markets in North America, Europe, Asia, and the Middle East. Our extensive network allows us to source and distribute a wide variety of garments at competitive prices.

Sustainability Commitment

We are committed to sustainable trading practices which include partnering with manufacturers who uphold ethical labor practices and environmental stewardship.

Key Clients

Our clients include major department stores, boutique chains, and online retailers, evidencing our capability to handle diverse market demands.

Achievements

- Recognized as "Top Garments Exporter of the Year" by the Global Trade Association in 2020.
- Implemented a blockchain system for supply chain transparency in 2021.
- Expanded market operations to include Eastern Europe and Southeast Asia in 2019.
