Submitting proposals for review by the JYFL Accelerator Laboratory PAC

Proposals should be sent to the Program Advisory Committee secretary Andres Illana Sison at the following address:

Department of Physics

P.O. Box 35 (YFL)

FI-40014 University of Jyväskylä
Finland

Tel.: +358 40 482 9682

E-mail: andres.a.illana@jyu.fi

The preferred method of submission is a postscript or pdf file via e-mail. A Proposal Summary Sheet must be added to the proposals. It is appreciated if information unknown at the time of submission is communicated to the PAC secretary as soon as it becomes available.

Proposals should include an abstract/summary. A justification of the beam time requested, based on cross-sections, detector efficiencies, etc. should be given. If a proposal is the continuation of an existing experimental program at the JYFL Accelerator Laboratory, a summary of the status of the project should be included.
