# Proposal to Return to In-Person Activity

<b>Submitted by:</b>	Tyler Ehrlich and Rodney Thomas	<b>Date:</b>	10/6/2020
<b>Title:</b>	Outdoor, Physically Distant Chamber Music Concert for the DHS Band	<b>School:</b>	DHS
<b>Brief title this proposal can be referred to as (try to keep to 5 words or less):</b>			
Outdoor, Physically Distant Chamber Music Concert for the DHS Band			
<b>Brief description of what is being proposed (try to keep to under 5 sentences):</b>			
<p>I am proposing having small groups of students (woodwinds, brass, percussion and guard) all present separate concerts for up to 2 adults per student on Oct 24 in the DHS Courtyard and Stadium. Parents and students will come at separate times, which will greatly limit attendance on campus at any one moment. <b>The entire event will take place outside.</b></p> <p>9:30AM Woodwind students report for quick rehearsal/warmup  10:00AM Woodwind concert (Only 2 guests per student.)  Woodwind students + parents depart</p> <p>11:00AM Brass students report for quick rehearsal/warmup  11:30AM Brass concert (Only 2 guests per student.)  Brass students + parents depart</p> <p>12:30PM Percussion students report for quick rehearsal/warmup  1:00PM Perc concert (Only 2 guests per student.)  Percussion students + parents depart</p> <p>1:00PM Color Guard report for a quick rehearsal/warmup (in Stadium)  1:30PM Color Guard Performance  Color Guard student + parents depart</p>			
<b>When do you propose beginning this activity in person, why do you propose that date, and what will the impact be if in-person activity is delayed until after that date?</b>			
I have targeted October 24 for this date back during band camp, so parents, students, and			

<p>staff have been holding it on their calendars. I highly doubt we could reschedule the event at this point and find a date that would work for the staff, students, and parents who would attend and perform.</p>	
<p><b>Describe the population of people who will be returning to in-person activities (students, staff, age levels, grades, programs, teams, etc.):</b></p>	<p><b>Approximately how many people in each of those groups will be impacted by this proposal (students, staff, volunteers, etc.):</b></p>
<p>Students Coaches/Staff Parents</p>	<p>Three groups of approx 35 Three groups of approx 3 Two parents per student max</p>
<p><b>Describe the <u>benefits</u> of returning to in-person for this activity and the <u>risks</u> of <u>NOT</u> returning to in-person:</b></p>	<p><b>Describe the <u>risks</u> of returning to in-person for this activity and the <u>benefits</u> of <u>NOT</u> returning to in-person:</b></p>
<p>This is a great summative performance, and will be the only opportunity for students and parents to celebrate their hard work since the beginning of marching band, outside of limited attendance at select football games.</p>	<p>There is an inherent risk of any group not from the same household getting together. The event is entirely optional for students and parents.</p>
<p><b>Describe in detail the protocols, equipment, and other actions that will be implemented to protect the health and safety of the persons involved in this activity:</b></p>	
<p>Students will complete our daily health questionnaire and temperature checks. The audience will sit in designated locations six feet apart in the courtyard. Spaces will be marked out and/or chairs will already be placed 6ft apart.</p>	
<p><b>Describe in detail how the above protocols, equipment, and other actions will be monitored to ensure compliance and fidelity of implementation, including who will be responsible for each aspect of monitoring:</b></p>	
<p>Mr. Ehrlich will be responsible for compliance and fidelity of implementation.</p>	
<p><b>Will this activity be voluntary, compulsory, or socially compulsory?</b> If the answers vary by participant (such as students vs. staff), answer separately for each category of people.</p>	<p><b>What will happen for those normally involved in this activity if they choose not to participate when it returns to in-person?</b> (Answer separately for each category of people if applicable.)</p>
<p>Staff – required unless they do not pass the</p>	<p>Not required.</p>

health screening.  Students and Adults – optional.	
<b>Describe in detail any interactions this activity will have with others (such as other teams/clubs within the district, other teams/clubs outside the district, etc.), the risks such interactions would introduce, and how those risks will be mitigated.</b>	
N/A – this is only open to DHS Band students and adults.	
<b>What other information, not already provided above, needs to be shared with the team evaluating this proposal?</b>	
Please contact Mr. Ehrlich if any information is needed.
