Scoring Rubric for Action Research Proposals

Proposal Title: _____

Primary Contact Name/School: _____

Evaluator: _____

A. Research Question Score: _____	4 Question has vital importance and clear relevance to district needs.	3 Interesting question, clearly relevant to district needs.	2 Question already addressed by significant body of research.	1 Question unlikely to reveal new or relevant insights.
B. Student Data Score: _____	4 Data sources are related to research question and meet high standards of validity and reliability	3 Data sources are related to research question and have adequate validity and reliability.	2 Data sources somewhat related to research question, and validity and reliability are uncertain.	1 Data sources have limited relationship to research question and are unlikely to yield valid and reliable observations.
C. Professional Practice Data Score: _____	4 Professional practice observations are related to research question, are clear and systematic, and represent a range of performance.	3 Professional practice observations are related to research question and are clear and systematic.	2 Professional practice observations are somewhat related to research questions and have limited clarity.	1 Professional practice observations have limited relevance to research question and are unsystematic.

D. Teaching/ Research experience of the teacher/researcher: _____	4 Seasoned teacher with many years of teaching experience and research background	3 Experienced teacher with some years of experience and sufficient research background	2 Experienced teacher with some years of experience and minimum to no research background	1 Inexperienced teacher with minimum or no research background
E. Supervisor Approval:_____	4 With full supervisor knowledge and support.			1 Supervisor has reservations about the project and/or the researcher.
F. Resource Requirements : _____	4 Proposal either requires no additional resources or clearly provides for all resources, support, and permission.			1 Proposal requires resources, support, or permissions that are not provided in the proposal.
