Improving problem-solving skills
Create a shelter

\*Items depicted in bold are available from CALLP

Activity description
<p>Introduce the task and have a look at laminated examples of dens. Opportunity to teach some effective fastening knots as well.</p> <p>Individually or in pairs build a miniature den to get an idea of how design might look, how wood could be joined etc.</p> <p>In bigger groups, share ideas and work together to come up with final plan.</p> <p>Work together to build den using natural materials.</p> <p>Tool talk and demonstration prior to making larger structures. Pruning saw to be undertaken with guidance of group leader. Other tool use depending on age and competencies.</p> <p>The activity can be simplified for younger levels.</p>

Notes
Can be linked with Animal Homes activity.
