Sponsorship of Bathurst Junior Golf can be beneficial for your business/company in many ways. Not only will your organisation be seen in a very positive light for sponsoring and supporting our successful junior golf program, but it will also give the opportunity for your organisation to be seen and supported by our juniors, families and members of Bathurst Golf Club.

Sponsorship of Bathurst Junior Golf comes in many shapes and forms. From the most basic donation of product or services thru to our main 3 choices on the next page. We thank you for your interest in supporting our kids. This support help us with the costs and operation of our 12 month program. A program that was awarded 2017 NSW Junior Club of the year.

If you or your organisation wishes to be involved in sponsoring Bathurst Junior Golf please contact our Club Professional Matt Barrett on 0400898741 or email [proshop@bathurstgolf.com](mailto:proshop@bathurstgolf.com)
