# Elanora State High School

## School Sponsorship Proposal

## About Elanora State High School

Elanora State High School (ESHS) is a responsive, local community focused high school. In 2017, we became an Independent Public School (IPS). This means we partner with our school community to create and pursue a shared strategic direction that focuses on student wellbeing and improved student outcomes.

The IPS initiative provides opportunities for:

- enhanced local governance
- advancing innovation
- locally-tailored workforce
- financial flexibility
- building for the future
- public accountability, transparency and performance.

As an IPS we are empowered to shape our own strategic direction and make decisions that will directly benefit our students. We have an enhanced capacity to work directly with local businesses, industry and community organisations and greater flexibility to tailor the curriculum to directly suit the needs of our students.

This tailor-made approach means students may benefit from opportunities such as International Baccalaureate, extracurricular and gateway programs, or access to centres of excellence. It also means you have the opportunity to tailor a bursary to assist our students.

Our school is committed to working together with parents to prepare students for the next stage of their life. We offer a wide range of programs, have strong partnerships with local tertiary education providers and can cater for a diverse range of student needs. Students are surrounded by possibility and opportunity in many areas – academia, sport, the arts, international experiences and community responsibility.

As we go forward we want to expand the partnerships between students, staff, parents and businesses forging closer connections with our wider community. These connections enable us to build on our current strengths while expanding in other areas so that we are able to provide education to meet the needs of every student.

We are excited to invite you to become a part of the ESHS family.

## Why Sponsor?

As an IPS, to meet our developing needs we rely heavily on the support of the wider community. This is your opportunity to directly affect the life and education of students in your community. Your involvement ensures we have facilities and equipment which enhance the delivery of education and assist students to reach their full learning potential.

## Benefits of Sponsorship

- Exposure to a school community of over 960 students and their families.
- Opportunity to assist ESHS students achieve their potential through funding for facilities and equipment
- Recognition of the partnership between your company and ESHS.
- Capacity to advertise your business and an opportunity to increase revenue possibilities.

## Your Sponsorship Opportunity

We have sponsorship levels available with a variety of opportunities ranging from \$2,500 to \$500. If you want to contribute above \$2,500 please speak with our Business Services Manager about what additional opportunities are available.
