

Startup Funding for Individual Research Projects: Application Form

Last modified: August 2019

I. Contact details

Please provide full contact details of all applicants (name, title [if any], work address, phone, email, organisational unit/department, duration of contract [if fixed term]).

II. Sponsored project to be proposed

Please state the targeted funding body, the funding programme, the period to be covered by the funding, the anticipated amount of funding and the intended proposal submission date.

If you are an early career researcher: Is the intended proposal your first-time proposal for a sponsored project? ☐ Yes ☐ No

If you selected 'No', please give details:

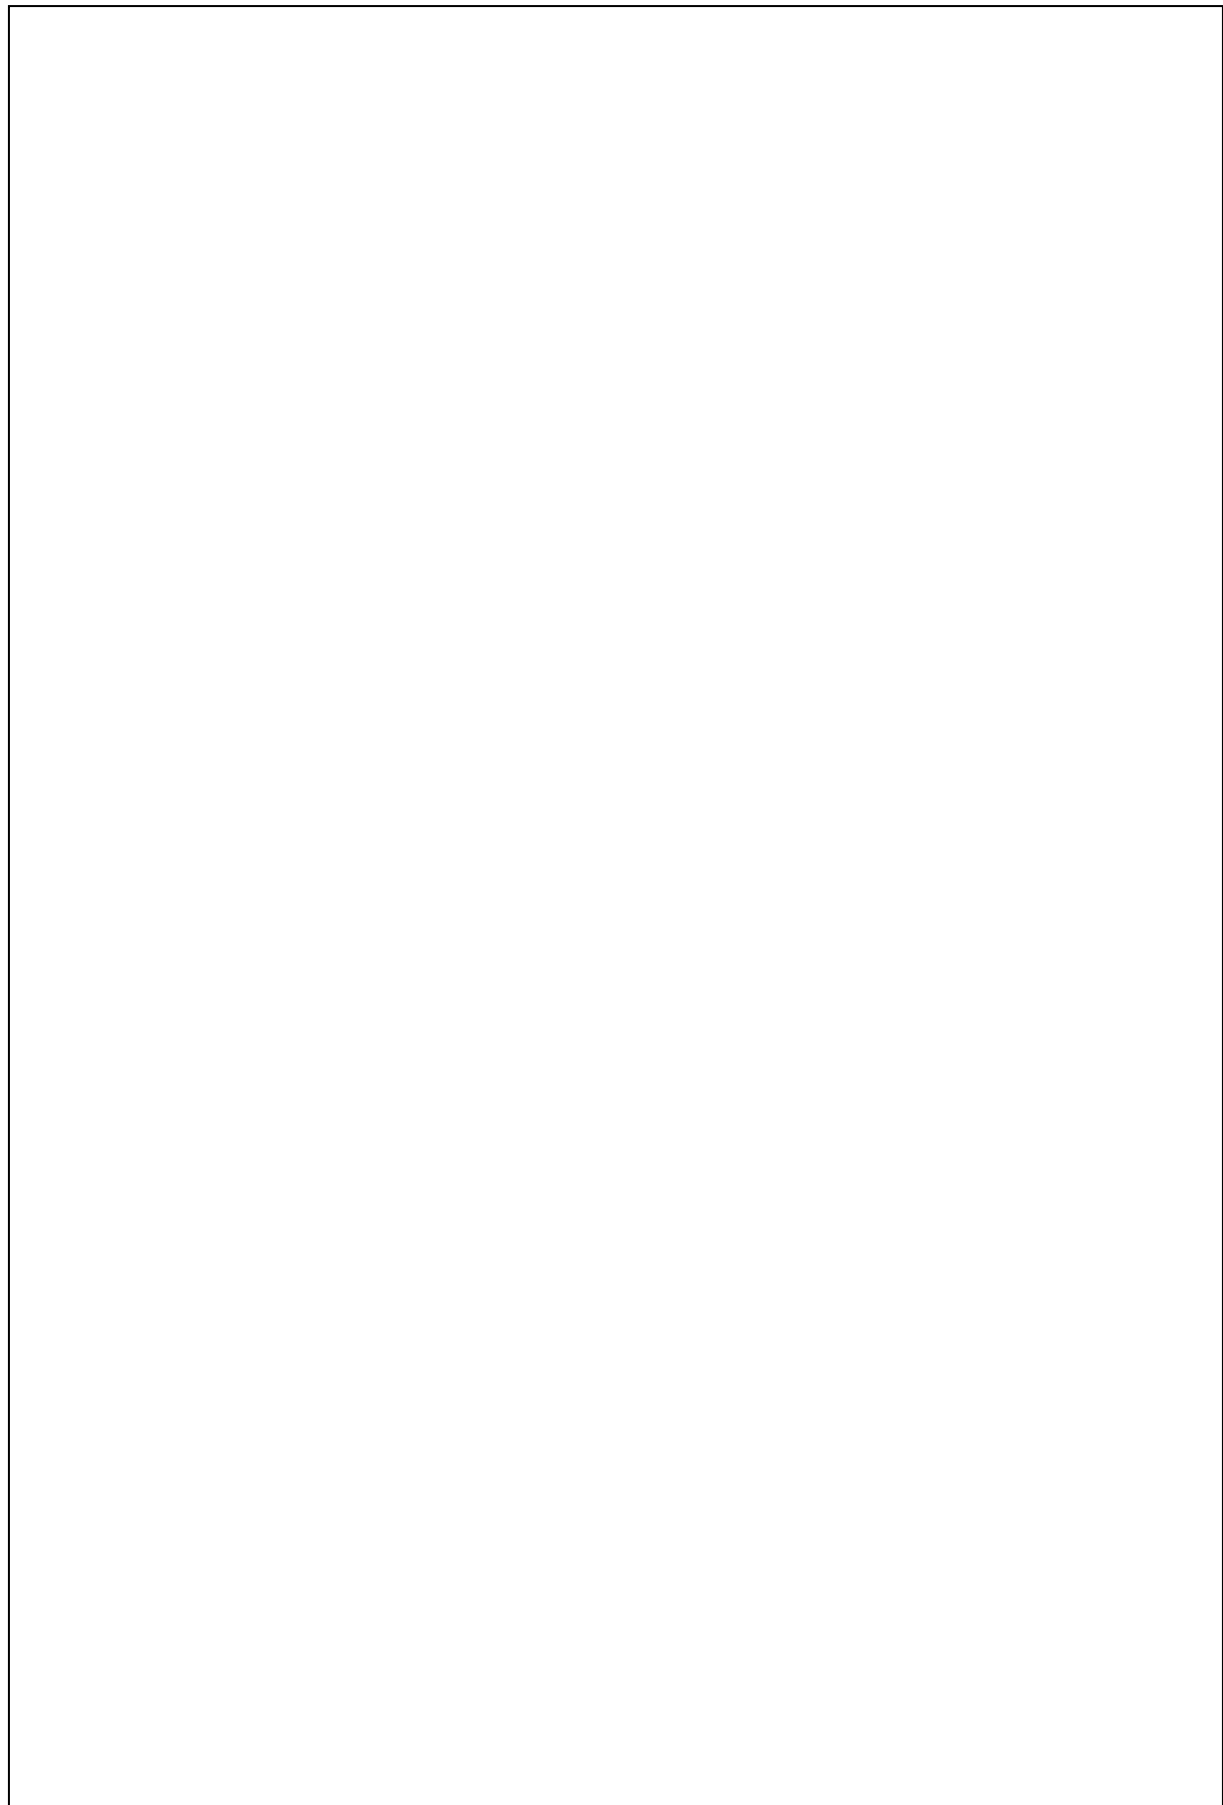

Have you received funding for the proposed project from other sources? ☐ Yes ☐ No

If you selected 'Yes', please give details:

III. Details of the sponsored project to be proposed

Please outline the project for which you are planning to seek external funding:

- (1) Brief outline of the state of existing research in the field*
- (2) Details of your own previous research in the field and list of relevant publications of your own (5 max.)*
- (3) Statement of problem, goals and objectives, proposed research plan, expected outcomes*

IV. External proposal development activities

Please outline the activities for which internal funding is being sought and explain why they are necessary. Also, describe the progress you have made on external proposal development.

V. Requested funds

Please detail the intended use of the requested funds. Please be aware that this programme is not designed to help you raise money for your own salary.

Personnel	Itemisation of requests	Total (EUR)
Travel		
Equipment, materials, supplies		
Other		
Total		0

Please provide a brief justification of the need for the requested funds:

Please attach the following documents:

- Applicants' **academic CVs** (required from each applicant, 2 pages max., please include a list of the five publications that you consider the most relevant as well as information on any third-party funding raised to date)
- Informal **co-financing commitment letter** from the competent Faculty/Institute/Chair/etc. confirming the co-financing rate of 50%
