

Zurich Superannuation Plan and Account-Based Pension

Global Growth Share

Fund Focus - February 2021

Investment objective

To provide investors with long-term capital growth by investing in securities listed on international stock exchanges.

The option aims to outperform the MSCI World (ex-Australia) Accumulation Index in \$A (net dividends reinvested) over rolling five year periods before fees and taxes.

Investment strategy

To invest in securities with high growth potential that are primarily listed on international stock exchanges. In addition, an active currency management strategy is employed whereby up to 40% of the exposure to international currency may be hedged back to Australian dollars.
