

Department of Geology  
Bachelor's Thesis Research Proposal Defense Form

Name:  
Phone Number:

Date:

**Title of Bachelor's Thesis:**

**Research Proposal:** Attach a one to two page research proposal. This proposal should include the significance of your project (a brief background discussion of the topic), goals (an indication of what you want to achieve), objectives (specific, tangible products and deliverables that the project will deliver – this includes methods and the types of data that will be collected), and the ways in which your data will be analyzed. Include pertinent references.

**Curriculum:** List all of the 4000 level courses that you will take or have completed.

**Oral Presentation:** The Bachelor's candidate will conduct a short oral presentation outlining the research project and will answer any questions that the committee may have about the research.

**Proposal Defense Approval:** Signatures of committee members indicate that the candidate has successfully proposed the research project.
