WHO WE ARE

# ABOUT US

## PIXELPUNE PHOTOGRAPHY IS A FREELANCE PHOTOGRAPHY SERVICE WHERE WE SPECIALIZE IN CELEBRITY, FASHION, WEDDING, PRE-WEDDING & ARCHITECTURAL PHOTOGRAPHY.

We hope you & your dear ones are safe and healthy during these unusual circumstances.

Life amidst the COVID-19 pandemic needs some kind of alteration and changes. And talking about weddings, 'Intimate Weddings' would be the new normal!

For now, we foresee every couple planning a post-lockdown wedding to take the tough decision of ditching a long guest list & downsizing that to a 50 people one for an intimate celebration!

The new regulation comes with great challenge for you, your family and so does for us as we have to downsize our team

to minimum while ensuring that we cover your wedding at our best.

We have created special packages for new "Intimate Weddings" - for us quality and capturing the right moment for you matters while ensuring highest degree of safety and social distancing practice.

## WHAT WE BELIEVE.

Capturing the biggest day of the life! In order to maintain highest degree of quality of the work we take up limited number of shoots a year, which allows us to focus on every single shot we take.

Don't forget to look into our 2020 WEDDING PORTFOLIO.

# WEDDING PHOTOGRAPHY TIMELINE

Timing is everything. In photography we consider planning everything up before we shoot, to ensure we meet highest possible photography requirements. It includes outfit type, color, location, backgrounds, timing of shoot, lighting & weather condition, reference images, client expectations and special requirements.

## PHASE 1 (1-2 WEEKS)

- Requirement gathering.
- Shoot theme and concept planning and discussion.
- Looks/outfit planning and resource allocation.
- Shoot scheduling.

## PHASE 2 (1 TO 2 DAYS)

- Shoot!
- Execution of planned photos.

## PHASE 3 (3-6 WEEK)

- Editing and Processing of the photos.
- Sorting and selection.
- Review and finalizing.

## PHASE 4

- Delivery of photographs & film.  
\*Film may take upto 5-6 weeks to deliver.
