

## **Proposal to operationalise OWASP 'Chapter-lead' Training activities and the concept of 'OWASP Academies'**

### **Activities:**

- Main focus on:
  - Normalization and 'packaging' of the OWASP 'Chapter-lead' events so that they can easily be executed by the local OWASP Chapters
    - Creation of the 'OWASP Training Pack' (book + pdf + dvd) with the materials developed by successful deliveries of OWASP 'Chapter-lead' events
  - Establishment of working relationships with 'OWASP friendly' Universities:
    - starting with the OWASP Chapter-lead training courses, but with a view to evolve those courses into OWASP 'Academies'
  - Negotiate potential sponsorship opportunities for the OWASP 'Chapter-lead' events
  - Logistical organization of OWASP 'Chapter-lead' training activities:
    - multiple individual OWASP 'Chapter-lead' training events
    - (try to) organize a 'OWASP Tour' of 20x training events in Oct/Nov 2010 (with US trainers)
- Work closely with multiple OWASP Committees, namely on:
  - OWASP Chapters Committee: the 'soft' (for now) requirement to implement the OWASP 'Chapter-lead' training courses
  - OWASP Education Committee namely: development and packaging of OWASP Training materials and the development of the 'OWASP Academies concept'
  - OWASP Connections Committee: namely with its efforts to expose the development community to OWASP Training materials
  - OWASP Projects Committee: creating Training materials from Key OWASP Projects

### **Resources required:**

- **1x 'Project Manager'** (to be responsible for the execution for the proposed activities)
  - Hired as an independent contractor
  - contract length: 3 months time
  - must be based in London or Lisbon
- **Operational capabilities**
  - Materials Production (for example editing)
  - Marketing materials
  - travel expenses

### **Budget**

- **15,000 USD**
  - **9,000 USD** : 3 months contract (3,000 USD)
  - **6:000 USD:** Operational expenses

### **Specifications**

- The human resource must have wiki edition experience
- recommended experience
  - project management
  - education experience
  - deal making
  - customer relationships
  - ideally a senior employee

**Additional notes:**

This resource will be directly managed by OWASP Board Member Dinis Cruz and reports directly to the OWASP Board.
