# **CHASKA HIGH SCHOOL BOYS LACROSSE TEAM GUIDELINES**

**ACADEMIC POLICY** – every player is expected to maintain an acceptable academic standing per the MSHSL guidelines for eligibility. Furthermore, players are expected to value their academics and will work with coaches to establish that mentality. Representing that statement, every player with a D or F standing in a class must attend the Academic Hour (3:00pm-4:00pm) in Coach Lidke's room B231 unless exception is provided by the coaching staff. Parents and players must discuss reasons for exception with Varsity Coach Chuck Friedbauer or JV Coach Grant Herschberger.

**ATTENDANCE POLICY** – the program will be most successful if players are present at all practices and games. **If a player expects to miss any practice or game, he is responsible for communicating that with a coach prior to that event. An absence for any reason is UNEXCUSED if not communicated to a coach ahead of that absence.** Two unexcused absences will result in that player missing the next game. A third unexcused absence will result in that player being suspended from further games until the player and coaching staff can discuss the situation together.

- Excused Absence – Appointment at request of teacher; Doctor appt; specific situation at coach discretion.
- Unexcused absence – Work, Driver's Ed, Practice Tardiness, Other Sporting Event without previous agreement by coach; **Failure to communicate any absence to coaching staff.**

**AWAY GAMES** – All players must ride the team bus to and from all away games when a bus is provided unless a parent provides a written note, email or text to their son's respective head coach.

**BALLS** – Each player will collect errant balls around the practice field, both during and after practice. Any balls collected by coaches after practice will result in additional conditioning.

**CAPTAINS EXPECTATIONS** – All captains are expected to lead by example, run practice dynamic warm-ups, pre-game routines, support direction provided by the coaching staff, address team member disputes and provide input on the team's strengths and areas for improvement.

**CAPTAIN APPLICATION PROCESS** – Captains for this year will be selected by the current players during the first week of the season. Interested players must complete application and deliver to Coach Friedbauer on Monday, March 31. They will be interviewed by the coaching staff for approval, after which they will present a short speech to the team. After all interested players have had a chance to present, all team players will vote on the nominees. Those with the most votes will be the captains. Captain announcement will be made on Monday April 6.

**CLEATS** – Cleats are not allowed in any of the gyms inside Chaska High School or any other visiting school. Additionally, players will make a concerted effort to clean off cleats prior to entering any schools.

**CONDITIONING** – Players are expected to enter the season in proper lacrosse shape. Conditioning tests may occur throughout the season to gauge a player's shape and provide feedback on areas of improvement.

**DISPUTE POLICY** – To address any dispute or conflict, the team member and/or parent will adhere to the following steps until achieving resolution:

1. Team member discuss issue with captain(s).
2. Team member discuss issue with coaching staff.
3. Team member and parent discuss with Varsity Head Coach.
4. Team member, parent and Varsity Head Coach meet with A.D.

**EQUIPMENT** – Players are expected to care for their gear properly, including washing their practice and game uniforms throughout the season. All players will be provided a set of home and away uniform jerseys and shorts to be worn on the respective games. Mandatory equipment to be used during games are the team helmet, colored mouthguard, shoulder pads not altered from manufactured condition, elbow pads (optional for goalies), gloves without holes, lacrosse stick meeting NFHS rules, team shooting shirt, team socks and cleats. Protective cups are suggested but not required.

**GAME DAY APPAREL** – all players are required to wear the team sweatshirt and pants at school the day of the game unless climate conditions suggest otherwise, on the bus for an away game and to the school if they go home before a home game.

**INJURY POLICY** – Team members are expected to communicate all injuries to coaches. Any team members not able to suit up for a practice or game are expected to attend all practices, team events or games unless given prior consent by the coaching staff. The team will lead a cheer for the other team, line up single file at the middle of the field, remove their helmets and gloves and shake the hands of the opposing players and coaches. They will also proceed to shake the hands of the officials present.
