

MEMORANDUM

To: Allen Persons-Director of Public Works

From: Arlan Schattke-Staff Engineer

Date: April 7, 2021

Re: 2021 Fire Hydrant Painting Program Contract

Background Findings

The item under consideration by the Village Board pertains to the 2021 Fire Hydrant Painting Program Contract. On April 6th, the Village received three (3) bids for the project. Six (6) proposals were issued to interested contractors prior to the proposal opening. The work consists of blasting off the old paint and repainting fire hydrants at locations previously identified by Village Staff. The Engineer's Estimate for this work is \$46,000.

A summary of as-submitted costs for all contractors who submitted a proposal is attached.

Policy Considerations

According to Section 2-43 (6) of the Village Code of Ordinances, the Village Administrator shall make a recommendation to the President and Board of Trustees on purchases over the \$10,000 statutory limit. The Board has the right to accept or reject any or all proposals.

Financial Considerations

Funding for the 2021 Fire Hydrant Painting Program Contract is included in the upcoming fiscal year budget. The money is budgeted in the water department budget under fire hydrants: Code 02-10-30-8194.

Recommendation

Staff has reviewed and verified the proposals and recommends award of the project to Giant Maintenance & Restoration. Giant Maintenance & Restoration is qualified to do the work and has met the bid proposal requirements. Giant Maintenance & Restoration has completed the Village's Fire Hydrant Painting Program in past years and their work has been of good quality.

It is our recommendation that the Village Board authorize the Village President to award the 2021 Fire Hydrant Painting Program Contract to Giant Maintenance & Restoration, the low qualified contractor, in an amount not to exceed \$41,547.00.
