Provider will have to conduct routine/random drug testing. Provider may be requested to conduct supervised urinalysis on a case-by-case basis. Provider will have to make a determination of compliance or non-compliance with court/program conditions. The service provider will maintain contact with employers, teachers, family members, probation/parole agents, and treatment providers to confirm participant activities and compliance. Services will be

available seven days per week with two reporting periods to accommodate work schedules. This program is intended to be used in conjunction with other services and would add an extra layer of supervision, accountability and daily management of the participant's time.

6. Cost Proposal

6.1. General Instructions for the Cost Proposal and how it will be Scored

All prices must be quoted in U.S. Dollars.

Purchasing will score the cost proposals by prorating with the lowest cost proposal given the highest score. The formula is as follows: Calculation of points awarded to subsequent proposals will use the lowest dollar proposal amount as a constant numerator and the dollar amount of the firm being scored as the

denominator. This number is then multiplied by the number of points given to the cost section of the RFP, resulting in the cost proposal score.

$$\frac{\text{Lowest Cost Proposed}}{\text{Constant}} \times \text{Maximum Points Assigned to Cost} = \text{Score}$$

Other Proposed Cost

6.2. Format for Submitting Cost Proposal.

Use Attachment F Cost Proposal. Submit one marked original plus one copy. Seal in an envelope and submit within the proposal package. The outside of the envelope should clearly state "Cost Proposal" and the name of proposer.

ATTACHMENT E**STANDARD TERMS AND CONDITIONS**

- 1.0 SPECIFICATIONS:** The specifications in this request are the minimum acceptable. When specific manufacturer and model numbers are used, they are to establish a design, type of construction, quality, functional capability and/or performance level desired, unless otherwise specified. When alternates are bid/proposed, they must be identified by manufacturer, stock number, and such other information necessary to establish an acceptable equivalency. The County shall be the sole and final judge of equivalency.
- 2.0 HOW TO AMEND A REQUEST FOR BID, PROPOSAL OR QUOTE:**
- 2.1** Public Works Projects are subject to Wis Stats 66.0901(5): If a person submits a bid or proposal for the performance of public work under any public contract to be let by a municipality and the bidder claims that a mistake, omission or error has been made in preparing the bid, the bidder shall, before the bids are opened, make known the fact that an error, omission or mistake has been made. If the bidder makes this fact known, the bid shall be returned to the bidder unopened and the bidder may not bid upon the public contract unless it is re-advertised and relet upon the re-advertisement. If a bidder makes an error, omission or mistake and discovers it after the bids are opened, the bidder shall immediately and without delay give written notice and make known the fact of the mistake, omission or error which has been committed and submit to the municipality clear and satisfactory evidence of the mistake, omission or error and that it was not caused by any careless act or omission on the bidder's part in the exercise of ordinary care in examining the plans or specifications and in conforming with the provisions of this section. If the discovery and notice of a mistake, omission or error causes a forfeiture, the bidder may not recover the moneys or certified check forfeited as liquidated damages unless it is proven before a court of competent jurisdiction in an action brought for the recovery of the amount forfeited, that in making the mistake, error or omission the bidder was free from carelessness, negligence or inexcusable neglect.
- 2.2** Non-Public Work Projects: After a Request for Bid/Proposal/Quote has been filed with the Portage County Purchasing Department, the responder may submit an amended response BEFORE THE DUE DATE AND TIME set in the request. All the conditions and provisions of the original Bid/Proposal/Quote will be in effect. No submittals or amendments will be accepted after the due date and time of the request. This does not preclude the County from requesting additional information and/or clarification.
- 3.0 DEVIATIONS AND EXCEPTIONS:** Deviations and exceptions from original text, terms, conditions, or specifications shall be described fully, on the bidder's/proposer's letterhead, signed, and attached to the request. In the absence of such statement, the bid/proposal shall be accepted as in strict compliance with all terms, conditions, and specifications and the bidders/proposers shall be held liable.
- 4.0 QUALITY:** Unless otherwise indicated in the request, all material shall be new, newest model year, and free from defects. Items which are used, demonstrators, obsolete, seconds, or which have been discontinued are unacceptable without prior written approval by the County.
- 5.0 QUANTITIES:** The quantities shown on this request are based on estimated needs. The County reserves the right to increase or decrease quantities to meet actual needs.
- 6.0 DELIVERY:** Deliveries shall be F.O.B. destination freight prepaid and included unless otherwise specified.
- 7.0 PRICING AND DISCOUNT:** The County qualifies for governmental discounts. Unit prices shall reflect these discounts.
- 7.1** Unit prices shown on the bid/proposal or contract shall be the price per unit of sale (e.g., gal., cs., doz., ea.) as stated on the request or contract. For any given item, the quantity multiplied by the unit price shall establish the extended price; the unit price shall govern in the bid/proposal evaluation.
- 7.2** Prices established in continuing agreements and term contracts may be lowered due to general market conditions.
- 8.0 RESPONSES TO REMAIN OPEN:** Responses must remain open and will be deemed to be open and subject to acceptance until awarding of the bid/proposal is finalized, or a minimum of sixty (60) days unless otherwise specified.

- 9.0 ACCEPTANCE-REJECTION:** The County reserves the right to accept or reject any or all bids/proposals, to waive any technicality in any bid/proposal submitted, request clarification of any bid/proposal, award a bid/proposal that is not the lowest price, and to accept any part of a bid/proposal as deemed to be in the best interests of the County.
- 10.0 GUARANTEED DELIVERY:** Failure of the Contractor to adhere to delivery schedules as specified or to promptly replace rejected materials shall render the Contractor liable for all costs in excess of the contract price when alternate procurement is necessary. Excess costs shall include the administrative costs and other costs attributable to the delay.
- 11.0 CONTRACT AND EXECUTION OF CONTRACT:** Unless otherwise specified in the bid/proposal, the successful responder agrees to enter into a contract, a copy of which will be on file in the office of the Portage County Purchasing Department. Contractor shall and will well and truly execute and perform this contract under the terms applicable to the satisfaction of the County, and shall promptly make payment to each and every person or party entitled thereto of all the claims for work or labor performed and materials furnished in the performance of this contract.

The Contractor shall at all times comply with and observe all federal and state laws, local laws, ordinances, and regulations which are in effect during the period of this contract and which in any manner affect the work or its conduct. The County reserves the right to cancel this contract if the contractor fails to follow the requirements of s. 77.66, Wis. - 14.0 LICENSES AND PERMITS:** Contractor shall have and/or provide any and all licenses and permits required to perform the work specified and furnish proof of such licensing authorization and permits with their bids if required.
- 15.0 ASSIGNMENT:** No right or duty in whole or in part of the Contractor under this contract may be assigned or delegated without the prior written consent of the County.
- 16.0 NONEXCLUSIVE CONTRACT:** Unless otherwise stated, the County reserves the right to purchase work or materials outside of this contract.

Except with respect to sexual orientation, the contractor further agrees to take affirmative action to ensure equal employment opportunities.
- 18.0 INDEPENDENT CAPACITY:** The parties hereto agree that the contractor, its officers, agents, and employees, in the performance of this agreement shall act in the capacity of an independent contractor and not as an officer, employee, or agent of the County. The contractor agrees to take such steps as may be necessary to ensure that each subcontractor of the contractor will be deemed to be an independent contractor and will not be considered or permitted to be an agent, servant, joint venturer, or partner of the County.
