REAL ESTATE COACH

PROFILE

John E. Whetsel has specialized in Real Estate Marketing and sales for over 45 years. In 1968, as a sophomore at Valparaiso University, John started his real estate career working part time as a sales agent for the Boise Cascade Corporation in Crown Point, Indiana. Since then he has been a highly successful real estate salesman, manager, recruiter, and trainer

Intuitive leader skilled in operations, real estate development, advertising and promotion.

- Managed a 200-person sales force in 4 markets for the Ocean Pines development, Ocean City, Md, and oversaw a \$1,000,000 administration/marketing budget
- Directed the conversion of apartment units to 3,000 condominium sales in Chicago, Il for the Anvan Corporation in 3 years
- Developed and sold hundreds of condominium/apartments for limited partners/investors/banks

Astute business strategist whose economic value-added approach strengthens growth and enhances the bottom line.

- Took Killearn Properties, Inc from \$150,000 annual revenue to \$12 million in just 6 years
 - Was awarded the start up business of the year by taking a failing company to the top of the market share in Tallahassee real estate sales Took over competing franchises and made the merger a profitable real estate company in less than a year
 - Led the development on the extremely successful Callen Woods Subdivision of 36 single family homes from a converted mobile home park.
 - Developed lead generation programs for various real estate organizations and builders
 - Created marketing plans for 14 communities in the Panhandle of Florida
