

GROW YOUR BUSINESS WITH A VA TEAM

More than ever, it pays to partner with an experienced and qualified team of assistants, trained in online business operations, marketing, content creation, and website design.

WHY CMBS VIRTUAL ASSISTANTS

Like many entrepreneurs, you may be struggling to find a balance in your life and work.

We're a full-service digital marketing and virtual assistant team that can handle all your business needs, including:

- Marketing
- Copywriting/Content Creation
- Social Media
- Website Design
- Website Maintenance
- Product Launches
- Landing Pages
- Webinars
- Email Marketing
- Landing Pages
- Membership Sites
- Graphic Design
- And MORE...

THE OBJECTIVE

Coming alongside you as a 'virtual partner' we work to lighten your load and reduce your stress. Our process is unique in that we offer our services and support through affordable, month-to-month retainers, with no long-term contracts.

Our services are personalized to your individual needs, and include customized strategies, with personalized marketing solutions to help you identify, reach, attract, and retain your ideal clients.

Our technical support is unsurpassed, providing you consistently reliable assistance for every online interaction, and the attention to detail necessary for every aspect of your online presence.

Our knowledge of online business and digital marketing allows us to help you:

- Eliminate frustration
- Accomplish more in less time
- Focus on what drives your company forward
- Do your best work, without the guess-work
- Stress less
- Profit more

THE OPPORTUNITIES

You choose as much, or as little, assistance from the CMBS Team as you desire while enjoying the benefits of our professional experience, knowledge, and training in:

- Digital Technology
- Up-to-Date Software
- Time Management
- Project/Task Management
- Effective Communication
- Problem Solving
- Target Markets
- Customer Engagement
- Identifying New Opportunities

This list is a very limited representation of the many ways CMBS Virtual Assistants can help entrepreneurs and business owners. [Contact us for more details](#) on how we can help you effectively grow your online business.

THE SOLUTION

Stop trying to do it all and get the help you need - when you need it. Nothing more, nothing less.

The Key: Identify where you are coming up short, how many opportunities you have missed, and why you haven't chosen to invest in the help you need.

THE NEXT STEP

If you're overwhelmed by recent changes in the way business is conducted or you find an ever-increasing amount of 'to-dos' on your list, you're not alone.

Our best clients are those who know they can't do it all alone – and who no longer want to.

CMBS makes it easy and affordable to get the right amount of help from the right virtual assistants...right away!

- Setup of new account
- Visual and Informational refresh/updating of an existing account
- Basic informational posting to chosen platforms
- Creation and management of targeted ads
- Moderation of responses
- Reputation management
- Promotion management

Whether you have a large budget - or a modest one - our affordable, monthly retainers allow you to get the personal and focused assistance you need and want.

- We'll help you get started
- We'll help you grow
- We'll help you accomplish
- We'll help you where you are, and help you get where you want to go

Our Commitment: CMBS VAs work hard so you don't have to.
