COLLEGE OF EDUCATION, HEALTH, AND HUMAN SERVICES

WRITTEN STATEMENT OF PERSONAL GOALS AND PROFESSIONAL OBJECTIVES

Describe the process by which you became interested in pursuing a Master's degree in your proposed area of interest. This statement should include educational (e.g., meaningful courses, projects and readings), professional (e.g., relevant work and/or volunteer experience), and personal experiences that contributed. What are your professional goals and how will a Master's degree in this area prepare you for accomplishing those goals?

To earn a Masters in Family Studies; Hospitality & Tourism Management or Nutrition; you will be required to complete a Master's thesis or an applied Master's project. Please describe some potential topics of interest to you at this time and which graduate faculty members' research areas seem to match your interests.

THIS STATEMENT WILL BE EVALUATED ON CONTENT AND QUALITY OF WRITING
