

## **Better Work Bangladesh International Labour Organization**

### **Terms of Reference**

#### **Production of a project promotional video on Better Work Bangladesh and an Animated Explainer Video on Sexual Harassment Prevention in the workplace (garment sector).**

#### **Background**

Better Work is a flagship programme of the UN's International Labour Organization that is jointly run by the International Finance Corporation, a member of the World Bank Group. Launched in February 2007, the programme aims to improve labour standards and competitiveness in global supply chains with a focus on garment factory conditions and the welfare of workers employed in the industry. The focus is on developing scalable and sustainable solutions which build cooperation between government, employer and worker organizations, and international buyers.

Better Work is headquartered in Bangkok, Geneva and Washington and has operations in eight countries worldwide. The Better Work programme was launched in Bangladesh in 2014 and currently works with 210 factories.

Better Work Bangladesh has several components including:

- (1) Enterprise assessments against (a) the principles of the ILO Declaration core international labour standards and Bangladesh labour law; and
- (2) Enterprise advisory and training services designed to support practical improvements and increased social dialogue at the factory level.
- (3) An influencing agenda with the goal of using programmatic learnings to impact national legislation and related policies.

#### **Assignment (s)**

##### **Assignment-1: Production of a project promotional video on Better Work Bangladesh**

The video will highlight the key aspects of the programme, including its mission, vision, interventions and success stories. This video will be displayed across different media channels and events organised by ILO-Better Work and its partners in country and abroad.

##### **Assignment-2: Animated Explainer Video on Sexual Harassment Prevention**

The Animated Explainer Video on Sexual Harassment Prevention will be primarily used by Better Work's training team to develop critical thinking and reasoning of the trainees around this topic. The video will be used to give an overview of Better Work's interventions to prevent sexual harassment in the workplace and raise awareness about sexual harassment in the workplace, particularly in the garment sector.

#### **Specific activities under the scope**

- Draft the storyline/storyboard/scripts for the videos and animation and finalise those with inputs from ILO-Better Work.
- Translate the scripts, voice-over and texts as required.
- Conduct filming in factories for collecting interviews and footages as per the script/storyboard under the guidance/in close collaboration with the ILO-Better Work.
- Take aerial footages using drones after securing necessary permission from the authorities.
- Edit videos, create motion graphic elements and incorporate subtitles/narrations and voice-over.

- Arrange a viewing of the first draft of the video and animation to incorporate feedbacks as necessary to produce the final outputs.
- Submit all the deliverables within the time-frame set out in the contract.
