PARKING BLACKOUT PERIODS. Move in and Move out provide a particular stress on parking and circulation. We ask for your patience during these times. The fact is that every single college student in town is moving into their apartment at the same time. Moving is never fun and tenant and parent nerves are frayed. The good news is that move in and move out only lasts a few days.

This Parking Agreement includes your understanding that during the few days surrounding move in and move that Green Castle, at its sole option, may suspend parking by permit and may suspend towing (the "Parking Blackout Periods") Tenant Blackout Periods will occur at the beginning of each Semester and at the close of each Semester or monthly rental period, as the case may be. Accordingly, your rental of the parking space DOES NOT INCLUDE the Parking Blackout Periods. During the Parking Blackout Periods, as

announced by Green Castle, parking by permit and towing will be suspended. All parking will be first come first serve. We ask that you all cooperate and share the parking areas during this difficult time.
